

A Weekend in Space!

By Chontelle

Last weeend Me, Sally, Nariah, Madi and Dylan went to space in on enormous bright pink rocket.

In the morning we saw a slimy green alien It had twenty four eyes and four antenia! Madi screamed her lung's out we all lafughed.

After that we want to pluto The funny animals were on the window One got in the rocket

Climed on Sally She did not
Know.

Finally we went home
Nariah said "That was fun Me too!"
Said Dylan' let's go there again
Sometime! Said Madi.

Last weekend me, Claudia, Ashlee, Blake and Jye went to space with our Mums and dads. We went in a hot pink rocket.

First we landed on the moon. It was very cold. We got attacked by bright green aliens! So we went to Mars.

Two hours later we landed on Mars, it was all red. We saw fifteen cute little space ponies so we took them home. But first we went to Pluto.

A Weekend in Space!

By: Nicah Cunningham:

At lunch time we took off to Neptune. Five hours later we were at Neptune. So we set up our heated pool and had a dip. When we took off home.

When we got home we went to sleep as we were so exhausted by our amazing trip to space!

In the afternoon we went
With my friends Tajieka, Holly,
Claudia, Katrina, and ~~the~~ ^{my} Dad
and Brothers. We were in a bright
pink and purple Space ship.

Firstly I went to see the planets:
Neptune, Mars, Pluto, Mercury, Venus
and Saturn. Then we had egg and
Bacon Sandwichs for lunch.

A few hours later we saw aliens.
Katrina was so scared that
she ran in the spaceship and
locked herself in.

At lunch time we took off to Mars. We set up my heated pool, had dinner and played monopoly, then we went to bed.

The next day we packed up the heated pool and headed back to Earth. When we got home all I did was play with my cute little blurb.

Last weekend me and my big Sister Jessie went to Space in a big,bright yellow rocket on Saturday morning we took off to Neptune

When we landed we had lunch. Then we played moon jumping! We were having so much fun until, a rover dog came out and tried to bite us.

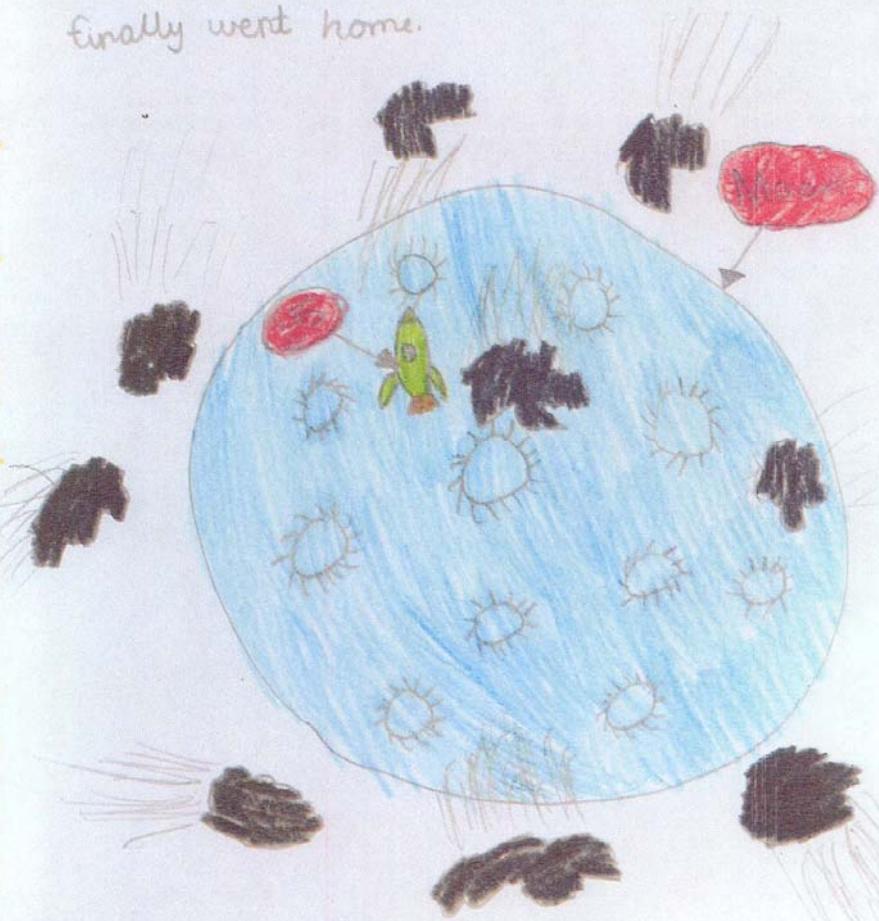

At night we took off to plato. In the morning we had breakfast and saw a cute little blurb. Jessie said I could take it home.

Me and my family went on a trip to outer space. My mum and dad were too drive the enormous green-speed machine. We left last weekend and landed on mars the following weekend.

The next day some aliens invaded our camp! But, we zapped them with our zapenerers.

After that we flew to the moon to have breakfast. We had cheese on toast. But then more aliens came and ate the left overs. We didn't care because we were told to eat any more.

the next day we saw a colorful alien, Page _____

By: Dylan

It suddenly aliens chased us around and around the moon.

On the way home David accidentally flew

out of the rocket. But we all got home safely.

On the weekend we went to space
in a red shiny turbo rocket.

Finally we landed on the moon
then we had lunch. After lunch
we played Football next we
went for a walk. We saw some
aliens! We ran so fast we lost
them.

On Monday we saw more space
friends. It was Harry, Levi,
Jacob, Daniel, Jake and Clinton.
then we play soccer, we went
suddenly and we ran in their rocket.

Last weekend me and my DAD took off in our space rocket in the morning. Our rocket was blue and mad.

In the morning we saw heaps of alien aliens. The aliens were angry at us and I was angry at them. So we flew to the moon to escape.

Next we had lunch on the moon and ate two hot dogs.

After we had lunch we went ^{Page} home.
