2nd - **Jacinta Pickette**

Public Speaking Finals

Wednesday 7:30pm

Separate Principal's Report will be
sent home on Wednesday

SHEKERE BEATS

On Tuesday last week St Johns Primary School joined with our school and were treated to a spectacular performance by a visiting African musician, Jonas Tandoh. Shekere Beats (pronounced she-ka-re) was an entertaining hands on experience for all the students and involved dancing to rhythmical beats played on various drums, playing the drums and chanting and singing songs.

Jonas also showed the audience his interesting collection of traditional drums, how they were made and the different sounds he could make from each percussion instrument. He also told stories about life in Africa and had the children engaged and enchanted with his presentation.

Leather shoes

I know we keep harping on about this, but Technology / Science /Agriculture students need the correct footwear to participate in those subjects. Students are still attending in thin, canvas shoes which are not permitted in the workshop, food tech room, ag plot or at school in general.

PRIMARY NEWS

The Primary students and staff would like to welcome Mr Mack to Year 3/4 for the next two weeks. Mr Mack is completing his prac teaching with Miss Baldock and her lovely class. We hope you enjoy your time with us and learn lots about the profession.

We also welcome back to school **Rachael Evans, Madison Masman, Libby Varley and Claudia Eastburn** after their very musical time at the Moorambilla Camp. All our Moorambilla students will enjoy a second camp during the last week of the school term.

What fantastic spellers we have at Baradine Central! Week 6 saw the school hold its' first ever Spelling Bee. Students from Year 3 to 6 competed in a "spell off" in order to decide finalists to attend the Regional finals in Dubbo in a couple of weeks. Huge congratulations to all the students that participated with extra special congratulations to **Zoe Gardner, Mia White, Claudia Eastburn and Jackson Fitzgerald** who will represent us at Dubbo. Our reserve students are **Tameka McGlashan and Libby Varley** who also put in a mighty effort.

This week students were entertained by a visiting performance that showed us how to enjoy music African style. This was a very engaging show where students had the opportunity to learn more about African music and way of life. All students that attended had a fabulous time and we were delighted that St Johns could join us for this experience.

The annual Public Speaking Completion was held on Wednesday, your children and our students did us all proud. Learning a poem, adding actions and then performing it is big effort for all concerned. Special thanks to parents, grandparents and anyone else that listened to students prepare for this important event on the school calendar. Congratulations to all students for their efforts not only with their poems but also their uniforms. All students looked outstanding as they delivered their poems.

During the last two weeks Primary teachers have been involved in extra training based around catering for the more advanced students in the classroom. Teachers have been given several new strategies to extend and engage students.

I am looking forward to seeing all students at school and on time over the next two weeks.

Lizzie Horder - Assistant Principal

KINDER/1 CLASS NEWS

Welcome to Week 8, how this term is flying by. We are having so much fun learning in Kinder/Year 1.

Thank you to my very responsible and grown up Class Captains **Shauri-Lee Taylor and Jayden Ryan**.

Well done to all students who did a fantastic job with their

poems in Public Speaking last Wednesday. You can all be very proud of yourselves, special mention to **Matthew Hyde** who won his Kindergarten category. I was very proud to watch you all up on stage.

Please remember it is **NO Hat No Play** policy at our school. Some little ones are forgetting their hats and are unable to play in their breaks. They are welcome to leave them at school if this assists with the issue of forgetting them at home.

We are having a visit from the Preschool next Thursday and are looking forward to showing them all the wonderful things we are doing in our class.

Congratulations also go to all students who are practising their sight words at home, you can really see their progress with their reading. If your child has lost their words please let me know so that I can give them another set. Students that practise their sight words remember them when they are reading their books and it makes it easier for them to gain fluency when they are reading. Thanks again for your support with this.

Tracy McGlashan - Classroom Teacher

YEAR 1/2 CLASS NEWS

Year 1/2 students have had a very productive couple of weeks at school. In Literacy we have been writing narratives, participating in reading groups and continuing on with our busy spelling program. We have also participated in Public Speaking. Well done to all students for their hard work and practise of their poems. You were fantastic!

In Maths we have been focusing on money and ordinal numbers. This week we have also been focusing on our 10 times tables. There have been lots of Times Table Champions in quizzes so far!

Well done to students who have been coming in full school uniform and remembering their school hat. You look wonderful!

Christie Baker - Classroom Teacher

YEAR 3/4 CLASS NEWS

The 3/4 class have been very lucky this week as they have Mr Mack, a student teacher from Bathurst, in our class. The children are loving having two teachers in the class, they are learning twice as much.

I would like to congratulate all the students who participated in the Annual Public Speaking competition. Everyone in the class spoke beautifully. We are all looking forward to listening to the finalists next Wednesday.

In R2L the class have commenced their new unit of work on how to write a clear and easy to follow procedure. This week they have been studying a procedure for how to make a pirate's treasure map.

Lucy Baldock - Classroom Teacher

PRIMARY NEWS

YEAR 4/5/6 CLASS NEWS

Last week was busy with our Spelling Bee and Public Speaking. Thank you to Miss Baker for organising such a fantastic and exciting morning for the Primary students to compete against each other. You did a great job!

We also have been concentrating on our Times Tables, testing benchmarking levels. Please practise these at home as well to become more confident. In reading we have been discussing people and events that have shaped our country in our 'Discover the History of Australia' book in preparation for our Sydney excursion next term.

Thank you to Mrs Dorothy Eastburn and Mrs Wendy Johns for all your help and time creating our Father's Day photo frames and handmade paper cards. Also special thanks to Richie for taking our lovely photos to send home. The children are so lucky to have all of your expertise and caring natures. Also Year 5/6 would like to thank Mrs Carol Hotchkiss and Mrs Wendy Leonard for their great contribution to our Father's Day fundraiser stall for our excursion to Sydney. It was a great success and thank you both for all your time and effort choosing our gifts and labelling the prices. We appreciate all your help. Special thanks to everyone who supported us by buying our lovely Father's Day gifts.

Lastly, I would like to congratulate all of Year 4/5/6 for the many jobs they take responsibility for without being asked eg. setting up for Primary assembly each week, setting up for Whole School assembly each week with Richie, watering the big pot plants on the cement, changing the weekly monitors board in the glass cabinet, taking the class rolls to the office if Richie is away, watering new plants in the front garden for Mrs Miller, feeding the chooks with our lunch scraps and many other helpful jobs. We appreciate your great attitude and pride in our school.

Jenelle Eastburn - Classroom Teacher

PREMIER'S SPELLING BEE

Last Wednesday the top four students in each year from Years 3-6 competed in the School Final of the Premier's Spelling Bee Competition. These students were very brave and they were also fantastic participants as they spelt some challenging words in front of their peers, parents and staff.

In the Junior section (Year 3 and Year 4) **Claudia Eastburn and Jackson Fitzgerald** were selected to represent the school at the Regional Finals. This section of the competition went to 15 rounds and was a very close competition!

In the Senior section (Year 5 and Year 6) **Zoe Gardner and Mia**

White were selected to represent the school at the Regional Finals.

Well done to all students who participated both in class and during the School Final and good luck to those who are competing at the Regional Finals in Dubbo in Week 9.

Christie Baker - Spelling Bee Coordinator

ACTIVE AFTER SCHOOL

A reminder that the Active After School program is on Tuesday and Thursday of each week from 3pm- 4:10pm. This term students are participating in hockey, soft ball and dance games and activities. Please come along if you have returned your permission note. There are only a couple of weeks left until AAS finishes for the term!

Thank you to Mr Mack for helping on Tuesday. We enjoyed showing you what kind of things we do as part of this program.

Christie Baker - AAS Coordinator

Parent Direct & Chalk Toy Catalogues Fundraiser

If you would like to get in early for all your Christmas presents or birthday presents call into the front office and collect a catalogue jam packed full of wonderful toys at great prices.

SECONDARY SPORT

RONNIE GIBBS LEAGUE & NETBALL

It was that time of year again where we pack our swags and made the very long trip last Tuesday to Bourke for the Annual Ronnie Gibbs 7's. This time 20 students packed into the bus and cars to go and represent the school in Rugby League and Netball. Bourke Primary School was good enough to again let us camp in their school hall which we are very thankful for.

The competition began the next day and the weather was very warm, reaching 32 degrees Celsius. Our 14's Rugby League teams were the first to take the field coming up against the much bigger Peel High School. Unfortunately we didn't have the size to match Peel and were defeated comfortably. The next match was against Brewarrina, who our boys were neck and neck with until the very end where Brewarrina got a late try to give them the win. Their last match was against Cobar where the boys were again right in the match until one of our players was badly injured, which stopped play in that match. This meant the boys missed out on the finals but came off the field with their heads high. They are still a very young team and will come back a lot bigger, stronger and more confident next year.

Scott Edwards was the only Opens boy who attended the carnival. This meant he had to play on a combined Coonamble and Walgett team. Scott did our school and this team very proud and played well all day. The team missed out on the finals but all of their matches were only lost by one try.

Our Netball girls were the highlight of the trip. It is unbelievable the amount of improvement they have shown

over the past two years. They won all of their pool matches very comfortably and progressed to the Grand Final to take on Warren. The only problem for our girls was due to scheduling they had to come off the court at the end of their last pool match and go straight to their Grand Final match with no break. This was a tough ask considering the heat, amount of games they played and only having one reserve. Despite this they got off to a flying start, creating a large lead over Warren. Sadly as the match progressed the girls began to run out of steam and Warren just reeled them in to win the tournament. Everyone is very proud of our girls coming in runners up. They are still a very young team with the majority of the team coming from Years 7-9 but still play against 18 year olds. Congratulations to our girls and to Bronwyn Masman who has spent countless hours over the past two years training them.

A big congratulations must go to all of students who attended. They were an outstanding group to take away and were always on their best behaviour. They represented our school with pride and tried their very best whenever they were on the field. Looking around the other schools at the carnival, none came close to matching our students for behaviour, manners and sportsmanship.

Thank you to Richie Milgate who again drove the bus almost 1000km for us and to Bronwyn Masman for going above and beyond in supporting our students.

Matt Edwards - Sports Coordinator

ACHIEVEMENTS

PBL

Last week we have been focusing on **Respect**. We have been discussing ways we can look after our school environment and keep it clean and tidy, and showing others that we care about our school and community.

Thank you to everyone who shows respect for this important PBL rule by their actions and being excellent role models to others. Well done!

Remember: Don't be a silly monkey come to school every day like Melvin and Harold the attendance monkeys!

Principal Awards

The following awards were presented to students for being outstanding role models and assisting with the Primary Zone Athletics Carnival.

Sophie Horder, Mikaiyla Currin, Ebony Mitchell, Stephanie Bowling, Chloe Anderson, Scott Edwards, Daniel Siemsen

Week 6 Awards

Student of The Week

Kinder/1 **Riley Siemsen** for always helping her fellow students when required.

Year 1/2 **Tristan Nielsen** for putting a great effort into his narrative writing.

Year 3/4 **Isaiah White** for trying extremely hard to improve the presentation of his work.

Year 4/5/6 **Mia White** for showing great enthusiasm towards her Public Speaking using gestures and expression to enhance her work.

Year Advisor Awards

Year 7 **Jamie Bruce** for excellent work in both Technology Mandatory and Agriculture.

Year 8 **Hayley Dunn** for excellent classwork and participation in practicals.

Year 9 **Claude Ward** for excellent participation during dance practice.

Year 10 **Scott Edwards** for working well in all classes and being a positive role model for younger students.

Year 11/12 **Reece Buckton** for showing commitment and enthusiasm to our senior dance practices.

PBL Awards - 'Respect'

Kinder/1 **Ella Phillips** for always being a pleasure and treating her classmates with respect and being a responsible role model in class.

Year 1/2 **Jorja Carey** for showing respect and treating others the way she wishes to be treated.

Year 3/4 **Jack Reinhardt** for always treating others fairly, just how he wishes to be treated.

Year 4/5/6 **Holly Woodham** for showing respect and treating others the way she would like to be treated.

Year 7 **Jacob Fitzgerald** for treating others with respect.

Year 8 **Dimiti Taylor** for always being respectful in class, to her peers and staff.

Year 9 **Victoria Gundry** for always being polite and respecting others.

Year 10 **Sophie Horder** for always being respectful of other people.

Year 11/12 **Ji Eldridge** for always being respectful to others.

Week 7 Awards

Student of The Week

Kinder/1 **Aaron Vallette** for working hard in all areas at school especially with his Literacy and Maths work.

Year 1/2 **Eden Allen** for putting in a great effort into all areas of her school.

Year 3/4 **Savannah Carey** for showing a mature work ethic in all areas of her learning.

Year 4/5/6 **Artemis Pech** for working to the best of her ability and working in a focussed manner in class.

Year Advisor Awards

Year 8 **Stephanie Bowling** for her enthusiasm during dance practice.

Year 9 **Tyrone Biles** for participating well in dance practice.

Year 10 **Ebony Mitchell** for completing an outstanding Maths assessment task.

Year 11/12 **Deian Dowler** for a well prepared Modern History assessment task.

PBL Awards - 'Respect'

Kinder/1 **Emily Murray** for always keeping the playground and classroom tidy.

Year 1/2 **Olive Lennon** for taking care of the environment.

Year 3/4 **Keira Ruttlely** for looking after the classroom and playground environment.

Year 4/5/6 **Nariah Cunningham** for always showing respect for the school environment.

Year 8 **Rachel Siemsen** for always being respectful.

Year 9 **Chloe Anderson** for respecting all areas of the school.

Year 10 **Lahni Patterson** for always putting her rubbish in the bin and keeping a tidy area.

Year 11/12 **Jacinta Pickette** for showing respect for the school grounds and equipment.

2013 Term Dates

A program to help children process their experience of natural disaster.

Representatives from schools and support agencies across the district came together for 'Stormbirds', a full day workshop held at the Josephite Hall in Coonabarabran on Wednesday 14th August. It was facilitated by Jeanette Foxe, a Sister of St Joseph with a background in education, now involved with the Good Grief Programs and instrumental in creating the 'Stormbirds' program.

The program is designed to help children and young people process their experience of natural disaster. It has already proven beneficial to students affected by fires in Victoria, flooding in Queensland and New Zealand's earthquake in Christchurch. Stormbirds will now be used to help young people who have been directly OR indirectly affected by the January fires in Coonabarabran and district.

This is a small group program of four sessions that aims to support children;

- Manage the personal impact of the changes they have experienced
- Understand that their reactions are normal
- To "take charge" of their attitudes, feelings and behaviours
- Develop skills for coping, problem solving and decision making
- Build their support network with families, friends, teachers and others

You will receive more details about the program in the near future. If you think your son or daughter would benefit from participating in this small group (4-8 students) program we would encourage you to talk to him/her about it.

If you require further information please contact **Fiona Hensby by phoning 0431 569 606** , **Miriam Fretwell on 0428 438 232 OR Judy Hayman on 6843 1644**
