ASSISTANT PRINCIPAL'S MESSAGE

Today our Getting Connected to Kindergarten program concluded. We had 9 amazing preschool students attend and we are looking forward to seeing them at 'Big School' next year. Our new friends from Preschool had many opportunities to experience what school will be like. This afternoon we had a lovely assembly to celebrate their graduation from our transition program.

This week we are expecting to have a dietician visit and talk to students about the importance of a healthy diet, in particular a healthy lunch box.

This Thursday we are having a disco, with an outback theme. So put your children in their boots and send them along for a great night out! Intensive Swimming will begin next Monday, for some of our students. Notes have gone home. I would like to remind parents to pack swimmers etc. everyday for those children involved even if the weather looks bad or is cold in the morning.

A reminder to parents that the Year 7 Parent Information Session will be held on:

Mrs Lizzie Horder - Assistant Principal

Illness

Please do not send your child to school if they are sick – this includes high temperatures, ear aches, running nose and coughs, diarrhoea, stomach pain, sore throats, rashes, headaches etc. All of these symptoms can be highly contagious and in small, enclosed environments like classrooms, sickness can easily spread amongst the children and staff. Consider the needs of others by keeping your child at home until they are back to full health.

PRIMARY NEWS/HOMEWORK

KINDER/1/2

Homework for K/1/2 this week is their weekly spelling words and an activity based on our topic of Time.

We have been busy practicing a song for our end of year Christmas concert and I am asking for students to bring in a Christmas tee-shirt to wear on the day. If students could start getting one organised to bring in, that would be wonderful.

Also, big thanks to those who have been staying back for Homework Centre on a Wednesday afternoon, it has been good to see such a great turn out.

Looking forward to another fun week of learning.

Miss Lummis - Kinder/1/2 Teacher

Maths - Complete your maths worksheet.

YEAR 3/4 WARRUMBUNGLES EXCURSION

On Thursday 17th November Year 3/4, Miss Dorman, Mrs Horder and Richie went on an excursion to the Warrumbungle's Environmental Education Centre.

Wes and Angela were there to greet us when we arrived. The students sat down on the logs and listened to Angela brief them about their day. There was a competition for students to write down as many animals and insects that they saw throughout the day.

We had a very busy and eventful day walking up old volcanoes, drawing eucalyptus leaves, creating maps and walking up creeks.

Congratulations to Year 3/4 who displayed our school values of Quality, Participation, Respect and Safety.
