PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

Show Success

What a fantastic day Saturday was for school community! This year Baradine Central School students had many entries in many of the sections at the local show. Special thanks must go to all the dedicated staff at our school for putting a huge amount of time and effort into ensuring our students presented quality work and skills. Our students received many rewards for their efforts. A full list will be in next week's newsletter. As both a staff member and a parent of Baradine Central School I am truly proud of the way our students had the opportunity to shine at our local show on the weekend.

Special congratulations to **Fox Jones, Wyatte Andrews** and **Stephanie Bowling** on their selection in the Rugby League and Netball teams.

ASSISTANT PRINCIPAL'S MESSAGE

Swimming

Swimming for Primary Sport will continue until the pool closes for the season. Even though it is a little chilly in the mornings it is lovely and warm at the pool when we go swimming in the afternoon. Please ensure your child brings their swimmers, plastic bag, sun shirt, towel, sun screen and \$2 pool entry money every Tuesday. At BCS in Primary we are very sun safe, all students now take their water bottle to the pool and must have a sun shirt to be allowed in the pool. If your child is unwell and unable to swim please send a note to their classroom teacher.

PBL

This fortnight the students will be focusing on

the following PBL school behaviour expectation **RESPECT: treat others how you wish to be treated.** Each class will think deeply about what this means in their weekly PBL booster lesson and demonstrate this behaviour expectation in all areas of school life.

Attendance

Good attendance at school is crucial to a student's learning. So ensure your child is at school everyday so they can learn as much as they can in the final two weeks of Term 1. If your child is unwell please contact the school office so the reason for their absence can be noted. Have a great week.

Miss Baldock - Relieving Assistant Principal

SECONDARY HEAD TEACHER'S MESSAGE

The students' school uniforms have been outstanding of late, with most students wearing the correct summer uniform. Footwear could still be improved upon with students required to wear black shoes on non-sport days. Also a reminder that practical subjects including Wood Work, Food Technology, Agriculture and Science experiments require fully enclosed leather shoes for safety reasons. This is a strict requirement and **your child will be unable to participate in these classes without the correct footwear.**

Just a reminder the Year 12 half-yearly exams are fast approaching and will begin next Tuesday after Easter. All Year 12 students must ensure

they are revising thoroughly and seek help from their teachers with any topics they are having difficulties with.

A big 'well done' to our sporting and sheep showing teams who have again done us proud last week. It is great to see our small school do so well against the bigger High Schools in the area. It is a great demonstration of the spirit that Baradine people possess.

I would like to wish everyone a very happy Easter and hope you all have a relaxing and safe break.

Mr Edwards - Secondary Head Teacher

SECONDARY WINTER TRIALS

On Thursday the 17th March, 21 BCS students headed into Coonabarabran for the Castlereagh Winter Trials. Students trialled in a number of sports including netball, rugby league 15's and opens and soccer. All students played extremely well, with a number of students making the possible and probably sides. BCS were lucky enough to get 3 students selected in the Castlereagh Zone teams. These students were **Wyatte Andrews** in the Open Rugby League team, **Fox Jones** in the 15's Rugby League team and **Stephanie Bowling** in the Open Netball team. These students will now compete for a position in the North West teams in their respective sides. Congratulations to all students on the day and to everyone who helped.
