PRINCIPAL'S MESSAGE

Dear Parents and Caregivers, Staff Professional Learning

This week several staff will be participating in professional learning events. I will attend the Western Plains Principals' Conference in Dubbo and will be presenting a segment to my colleagues on school promotion, featuring our 2015 YouTube video 'We are Family'.

Mrs Hensby will join me for the training for school Principals and their NSW Teachers Federation representatives, on the Teacher's Performance Development Framework.

Mr Edwards and Mr McCutcheon will be my representatives to participate in a Safety and Security exercise 'Apollo' with the NSW Police at Parramatta. Miss Baldock and Miss Birrell are representing our region at a forum for Writing in the Middle School Years. Richie Milgate will be attending a conference in Dubbo for Aboriginal Education Officers working in public education in Western NSW.

Attendance

Congratulations to the following students whose Term 1 attendance was exemplary with 100% attendance or 45/45 days present at school:

Tyson Dunn Y2, Suzie Carey Y3, Fleur Andrews Y7, Billy Carey Y7, Rachael Evans Y7, Madison Masman Y7, Erika Morgan Y7, Jo Rawson Y7, Codey Dunn Y9, Mariah Pennell Y9 and Jacob Fitzgerald Y10.

Last week's attendance levels for year cohorts was generally well below state and school expectations. The school will be following up with individual families to resolve absences.

Uluru

A reminder to all participants that your final payments are now overdue and need to be organised this week. We're on the count down with 5 weeks until departure date.

The secondary students did an awesome job car washing last week, raising another pot of money towards Uluru expenses.

NAPLAN

Well done to our students in Years 3, 5, 7 and 9 who all sat the NAPLAN tests this week and did so with a lot of positive effort. Their results will be available in September.

Cheers
Mrs Chris Clarke - Principal

EMERGENCY CARE/HEALTH CARE PLANS

If your child brought home a Emergency Care/Health Care Plan for your approval could you please sign it and return to school as soon as possible.

ASSISTANT PRINCIPAL'S MESSAGE

This week we have a large number of students in Primary heading off to Coonamble on Thursday for a netball and football gala day. I would like to wish all the students the best of luck and hope they all enjoy this fun day of participation.

Attendance continues to be a big focus at BCS and I would like to remind parents that all absences must be explained. Students are required to attend school everyday unless sick or for another genuine reason. Attendance on school excursions, like the one coming up this Thursday, is dependent on satisfactory attendance. This is written clearly on all excursion notes. If you are experiencing difficulties with having your child attend every day please contact the school to arrange a time to discuss this with myself or Mrs Clarke.

Every child needs to wear a green hat to school every day. Unfortunately there are a few students who continually forget to bring a hat to school and are then required to sit in the shade, this is consistent with the DEC policy of **NO Hat No Play**. Please make every effort to send your child to school every day with a hat. As part of our uniform policy it is expected that this hat will be a school hat.

Looking forward to seeing you all at the Cross Country on Tuesday. It starts at 2:00pm across the road at the Multi Purpose courts. Come along and cheer on all our wonderful students.

Remember ***it's not OK to be away!***

Mrs Horder - Assistant Principal

SECONDARY HEAD TEACHER'S MESSAGE

Last week Secondary students ran a two-day car wash to raise money for the Uluru excursion. It was a very productive event and we are extremely proud of the effort put in by our students. They toiled away without complaining once. Thank you to everyone that came down and supported the car wash. If you missed out there will be more running over the rest of the year as Year 10 use this to raise money for their Gold Coast excursion.

This week we welcome a prac student to our staff. Tarik Celenk from the University of New England, is completing his course to become a Science teacher. He will be learning from Mrs Talbott as he completes a four week practicum. We hope he is made to feel very welcome and enjoys his time here with us.

Cross Country is on this Wednesday for Secondary. The students have had practice runs of the course and are all ready to set some good times. This will start at roughly 1:40pm from the school oval. This event is compulsory for all students. If they are unable to run the course they can choose to walk.

With the colder weather arriving we have seen a spike in the amount of detentions for students being out of uniform. This is mainly due to students wearing incorrect jumpers. Students are

required to wear school jumpers and jackets. North West and other representative tops are **only allowed to be worn on sports days**. If your child is out of uniform for two consecutive days they will receive a detention. If you would like any more information regarding uniform or are having difficulties acquiring one, please contact the school.

Year 11 Half-Yearly exams commence next Monday so please make sure your child is revising for this. If they are going to be away they need to let their teachers know ASAP so other arrangements can be made. These are mandatory exams for their course and cannot be missed. Year 7-10 Half-Yearly exams will follow in Week 6.

Year 12 are travelling to Sydney next Monday and Tuesday to attend the play "Shoe Horn Sonata". This is one of the texts they have studied for the HSC so it will be very beneficial to them, especially come their exams. Please make sure your child has their note and money back in for this event.

Year 7 vaccinations are on again next Wednesday. They will be taking place at the school so please make sure your child is at school and doesn't miss out on them.

Helping your child with reading

Be confident that your child will learn to read. Show that you enjoy reading by having lots of different reading material at home and by giving books as special presents.

Children value reading through watching members of their family read and write every day. Encourage your child to read anytime, anywhere.

Children often enjoy reading more if it is shared. Make time away from television and interruptions to read aloud with your child.

Read in your home language if your first language is not English.

Encourage your child to read by sharing such activities as:

- reading signs and posters
- following a street directory
- checking the television guide
- choosing a video
- using a recipe
- reading game rules
- reading the newspaper aloud together
- playing word games including crossword puzzles
- reading instructions
- looking at letterbox leaflets
- finding brands at the shops
- reading magazines, comics, poems and rhymes.

Listen to your child read every day. Here are some ideas to use now and then, but remember some reading should just be for pleasure:

- look at the cover, title, pictures and talk about what the book might be about
- talk about the story so far and what might happen next
- after reading, talk about the story and ask questions
- talk about the pictures and how they add meaning to the text
- take turns when reading a harder book.

Remember the three Ps for new words: pause, prompt, praise.

That is, allow your child time to work out the word (pause), use clues taken from the context (prompt) and praise your child for trying.

If necessary, however, simply tell your child the word.

Talk to your child's classroom teacher or the principal for further help and advice.
