PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

Parents & Citizens Annual General Meeting

All families and citizens of BCS community are invited and encouraged to attend the P&C's AGM this Thursday afternoon at 5.30pm in the library. P&C meets once per month to discuss issues affecting the school and/or students. It is also a fundraising body for school improvements and events, holding several fundraising functions each year. To become a member and have voting rights, a \$2 membership fee is payable.

You might not be aware, but P&C owns and manages the school canteen business. It employs a canteen manager (Kira Gardiner) to operate the day to day preparation and sale of food at recess and lunch. A canteen sub-committee oversees the canteen operation and supports the manager.

The AGM will be seeking your interest to fill the following positions:

P&C - President

Vice-President

Secretary

Treasurer

Fundraising co-coordinator

P&C Canteen Committee

Chairperson

3 other members

2 bank account signatories

Cross Country

Well done to all students for their impressive efforts in last week's cross country races. Those with an interest in this event will be hoping for a chance to race at the next level.

We Are Family

Last week I seized the opportunity to showcase our school and its community to my Western Plains Principal colleagues during a two day conference in Dubbo. My presentation included a viewing of the film and song, 'Baradine - We Are Family', that is easily accessed on YouTube. Ultimately, we are working towards hosting other school groups to come on excursion to Baradine to experience the array of learning opportunities the National Park and local area has to offer.

Moorambilla

A reminder that a response is now due for the first round offers that went out to 14 BCS students a few weeks ago. Your child's selection is an amazing opportunity to be part of this very popular and award winning music program.

Year 7 Vaccinations

The Year 7 students are scheduled to have their latest round of vaccinations on Wednesday commencing at 11.30am and I encourage all parents to ensure your child doesn't miss theirs.

The Health Department has stressed the importance of the vaccination program conducted in NSW schools and has provided me with information that our **BCS participation rate is quite low being less than 60%.**

Coonamble Gala Day

Congratulations to our sporting stars who attended the Coonamble Gala Day recently and especially the Year 3/4 boys (combined with Gulargambone) who won the competition.

Cheers

Coonamble League & Netball

On Thursday 19th May seventeen excited students attended the Coonamble Gala Day. We were lucky enough to team up with students from Gulargambone Central School.

Eight BCS girls from Year 3-6 played in the Netball NSW Gala day. The girls played very well and won their game against St Johns Trangie 8-1.

Nine BCS boys from Year 3-6 participated in the Peachy League/ Richardson Cup. The 5/6 team had a great start to the day winning against St Mary's Warren 7-3. The boys advanced to the semi-final against Coonamble PS and unfortunately lost 7-4.

The 3/4 boys also made it into the semi-final and beat St Lawries 5-4. They won their final against St Mary's Warren 10-4 to take away the Peachy League/Richardson Cup.

There will be more information available shortly regarding the 3/4 team selection for the Zone NRL in Dubbo later this term.

A big thank you to Mrs Wright for driving the school bus and umpiring the girls netball.

ASSISTANT PRINCIPAL'S MESSAGE

This week we are having an extra focus on Quality Uniform. As it has been a slow start to winter this year and as a result some students haven't fully transitioned into the full winter uniform. Causing some concern is the number of students not wearing the correct jumper or jacket. We also still have a few students persisting in not wearing the correct school coloured hat. Please ensure your child leaves home in the correct hat and jumper.

Congratulations to those students who consistently wear our lovely uniform, making a true effort to be in correct uniform and demonstrating respect for their school.

From all reports our netballers and football players did a marvellous job on Thursday at Coonamble. Both Miss Dorman and Mrs Wright have commented on the high rate of participation and wonderful behaviour from our students. Once again our students make us proud!

A reminder that the Life Education Van will be visiting our school soon. If you haven't already

done so please send in **\$4:00 per student.**

The school had a visit on Thursday from the Home School Liaison Officer who had a look at our attendance information. She was generally very pleased with our fantastic students that attend school almost every day. If your child is missing school for reasons other than illness please ask yourself, "does my child need to be away today?"

It was wonderful to see so many parents and interested community members attend our Cross Country carnival on Tuesday of last week. The students ran their hearts out with many of them lathered in sweat when they crossed the mighty finish line. Thank you to everyone that helped and cheered on our runners. This not only supports our students to try that little bit harder but it also models to them how they can be an involved adult in the future.

Looking forward to seeing all students at school each day this week!

Mrs Horder - Assistant Principal

SECONDARY HEAD TEACHER'S MESSAGE

This week is another very busy one for Secondary as we enter the half-way point of the term. Year 12 are travelling to Sydney to watch the play "Shoe-horn Sonata". This is one of the texts they will have to write about in their HSC exams so it will be a very beneficial excursion for them.

Year 11 have started their half-yearly exams today, and they will run until Thursday. The Study Centre is available for students between exams and when they don't have exams. We highly recommend students stay in this area between exams. If they wish to sign out when they do not have exams they must have permission from parents/carers.

Year 7 vaccinations are on this Wednesday at the school from 11:30am. Please make sure your child is at school on this day so you don't have to chase catch-up vaccinations at a later date.

On Thursday and Friday we have students heading to Dubbo for the Central Schools Touch Football Competition. This is a great day and there has been an improvement in our results each year. If your child wishes to attend this, permission notes and money are due in by tomorrow so we can finalise numbers.

Year 7-10 Half-Yearly exams start next Monday and will run until lunch-time on Wednesday. Please ensure your child is completing all of the revision that teachers will be sending home this week. Also please make sure they are at school for these exams. If you know your child will be away then please let teachers know ASAP so other arrangements can be made. Catch up exams will run next Thursday and Friday for those who are away.
