PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

Welcome to a very special week on the Baradine Central School's calendar, Education Week! This year the theme is, **"shared stories, better learning, stronger communities"**

Education Week gives us the opportunity to celebrate by sharing our stories, re-committing publicly to our goal to provide the best possible learning opportunities for all students, as well as recognise the fabulous contributions that our community makes to this school.

On the front of this newsletter are the activities that BSC are planning to take out into the community to once again celebrate that Public Schools are the heart and soul of local communities.

I encourage everyone to take the opportunity during Education Week to visit Baradine Central School on Wednesday at 1:30pm for a special assembly.

On Friday the entire school will be going to the oval to participate in the LALC NAIDOC Day celebrations. BSC students will join students from St John's and Gwabegar Public for a fun day of activities in recognition of the local Aboriginal community. A note went home on Friday outlining the day. Please remember that whilst

this is an out of uniform day, joggers and hats are required to be worn. No permission note is necessary as it is covered by our local area walking note. Once again the school invites all parents, carers and community members to join us at the oval.

Over the next couple of weeks school staff will be conducting Parent - Teacher interviews. Staff will be visiting Gwabegar after school on Monday 8th August (next week) to meet with parents from the Gwabegar/ Kenebri areas. Interview sessions will begin at 4:15pm. Mr Edwards will also be discussing with parents of Year 10 students subject selections for Year 11. Interviews will take place at Gwabegar Public School. The following Monday 15th August, the same process will take place at Baradine. For Secondary parents you will have the opportunity to talk to all staff that teach your child in each subject area then at the end speak to their Year Advisor to set learning goals. Staff are looking forward to seeing all parents K-12 over the next two weeks at these important interviews.

See you all on Wednesday at 1:30pm at our Education Week assembly and then on Friday at the oval!

SECONDARY HEAD TEACHER'S MESSAGE

This week Secondary is having their No Blue-Slip reward on Tuesday afternoon. This is to reward students that haven't received any or very few blue-slips over last semester. Students that have displayed this outstanding behaviour will have periods 6-8 off to enjoy an afternoon of pizza and movies as a treat for being positive role-models with their actions.

This week is Education Week and to celebrate this Secondary are cooking a free breakfast BBQ in the main street, on Wednesday from 9-11am. They will be cooking bacon and egg sandwiches and talking people through the Uluru excursion display. If you are in town on that morning please come down and enjoy a free breakfast prepared by our students.

On Thursday we have 17 students heading into Coonabarabran with Mrs Wright for the Ag Skills Day. At this day they will be given demonstrations of various skills required if they wish to pursue a career in agriculture.

Friday we have some of our students travelling to Tamworth to compete in the North West Athletics Trials. If they have a victory here they will progress to the State Championships in Sydney. We are expecting great results from all of them and we are sure they will do the school proud.

Just a reminder to Gwabegar parents attending the Parent/Teacher interview night next Monday that if you have a child in Year 10, we will also be running subject selection information for their transition into Senior Studies next year.

Next Thursday and Friday Year 10 are holding a car wash to raise money for their Gold Coast excursion. These are always very popular so please book your car in to avoid disappointment. If you are in town and are unable to get the car to the school please contact us so we can arrange to pick it up.
