Principal's News

Dear Parents and Caregivers,

Year 12 Formal

The front cover this week features our Year 12 students formally completing their time at Baradine Central School. These young adults all looked magnificent as they attended their formal Farewell. Congratulations to each and every one of them. We wish you all happy futures, fun times and hope your hearts will always hold a very special spot for BCS! Special thanks to Mrs Alix Talbott for being their year advisor and organising the Year 12 formal, it was a wonderful evening for students and their families.

Remembrance Day Service

On Saturday the community held a Remembrance Day service, a big thank you must go out to our students and staff that attended this important event. The school community should be very proud that we have so many committed students and staff.

Mrs Hotchkiss made our wreath, Mr Milgate provided the sound system and Mr Smeal played the Last Post. Particular thanks to these 3 members of staff for their extra commitment. School leaders Hugh Horder, Ashlee Olsen and Poppy Evans Prouse layed the wreath on the school's behalf.

REMEMBRANCE DAY

Premier's Spelling Bee State Finals

Please take the time to read the article in this newsletter written by Jake Martin about his trip to Sydney for the State Finals of the Spelling Bee competition. Congratulations Jake for your outstanding achievement.

The Premier's Spelling Bee is a major state event, some of you may have even seen it on the news. Jake came 15th overall in the junior section.

Car Wash

I couldn't help but notice all the lovely clean cars in Baradine on Friday afternoon. Senior secondary students and staff did an amazing job of cleaning so many cars over 2 days. Money raised will go to the Year 10 excursion to the Gold Coast that is coming up soon.

Save the Date - Parent/ Teacher Evening

It is getting to that time of the year where teachers a busily writing student reports. **The school is holding a parent – teacher evening on Monday, 4th December.**

The teachers are looking forward to meeting with parents in a few weeks to discuss each individual student's progress with their learning goals and academic results.

Student reports for Semester 2 will be issued at this meeting. I encourage all parents to come to the school on the 4th December to collect your child's report and discuss it.

Premier's Spelling Bee State Finals

Early on Tuesday morning I woke up, packed the car, and started my journey to Sydney. We arrived in Sydney after a few stops along the way. I stayed at the Ibis Hotel with Mum, Pop and Nan.

On Wednesday morning I headed to the ABC Centre with Mum and Nan to participate in the Junior State Spelling Bee finals. When I got there, I was nervous and I ate a caramel slice. The first word I had to spell was car. The word I got out on was confiscate because I put an e instead of an i.

Overall I came 15 out of 153,000. I was happy with my effort and can't wait to have another try next year.

Primary Choir

The primary choir had a busy week last week! On Tuesday morning, the students had one final rehearsal before boarding the bus to Coinda Aged Care Facility in Coonabarabran. When we arrived, the residents were having their own sing along. The students had a great time performing, and especially enjoyed when two of the residents played the drums and the saxophone during the song Rockin' Robin.

On Wednesday at 10.00am, the students performed at the Baradine Multi-Purpose Health Service. They were very excited to sing their songs, as well as have morning tea with the residents. Mr Smeal even played background music as the students mingled with the residents and staff members.

Well done to all the students in the primary choir for being on your best behaviour and participating so beautifully in both performances.

Thank you to Mr Smeal for helping us organise and practise for the excursion and to Richie for driving the bus.

Deadly 7's

For the past few weeks primary students have been participating in the 'Deadly 7s' Rugby Union program run by Mr Luke Mack. This has been an amazing opportunity for students in K - 6 to experience the team sport of rugby union. All the students had fun learning new skills along side their friends from St Johns Catholic School. The students would like to say a big thank you to Luke Mack for organising this fantastic four week program.

ASPIRE-Taster Day

On Thursday the 26th of October, Year 9 students went to Dubbo for the ASPIRE Taster Day. Students participated in a variety of workshops, such as filmmaking, engineering and business.

Some highlights of the day included the solar car challenge in which our students took out the top prize after creating the fastest solar car in their group. Another highlight saw our students acting in a short scene from the hit film Crocodile Dundee!

Overall, it was a great day and the student's excellent behaviour and positive participation were rewarded with a trip to McDonalds at the end.
