ASPIRE

During Week 7, 4 students from Year 8 had the opportunity to travel to Sydney for the annual ASPIRE excursion at the University of New South Wales. Students had to submit a 200 word explanation as to what they wanted to do after school with regards to Uni. The submissions selected were Madison Masman who wants to be a nurse or exercise physiologist, Rachael Evans who is looking forward to a career in teaching, Katrina Gardner who wishes to be the first in her family to receive a degree and Holly Woodham who is interested in a career in vet science.

Students had a wonderful time in Sydney. They experienced university life, which included a tour of the enormous campus and sampling some of the courses available. These included Engineering and Robotics, an arts degree, courses in music and writing, exercise and Sports Science and Optometry. Students learnt a lot from these and were inspired to work hard to complete their schooling at the highest level!

They also got the opportunity to experience some of the things that Sydney has to offer. They played bubble soccer, watched an outdoor twilight film on the big screen, visited the observatory and enjoyed some time in the sun at Coogee Beach. Student should be commended on their enthusiasm, willingness to participate and fantastic behaviour.

Year 5 Captain Speeches

Last week all the Year Five students delivered their captain's speech during a whole school assembly in the hope that their peers and staff would vote for them as number 1. All students encouraged voters by sharing what they believed to be their leadership qualities and used some very catchy lines in their speech. Congratulations to all students for their outstanding speeches and confident delivery in front of a large audience.

If you are fortunate enough to live with a sense of community, where you know the people who live near you, share experiences and help one another, then you'll probably agree, your life is richer for it. The Street by Street project is seeking community minded people to turn streets into communities in your area, through simple social activities. We'll support you to do this. SHOOSH FOR KIDS TIPS FOR ADULTS AT KIDS SPORT

1. **Keep it fun** - don't take it too seriously. It's not the World's Title.
2. **Be enthusiastic** - but don't scream & shout instructions from the sideline.
3. **Emphasise trying hard not winning.**
4. **Cheer & acknowledge** good plays by all players, both teams.
5. **Accept decisions by officials** - they are human & can make mistakes.
6. **Let coaches do the coaching.**
7. **Always remember** - volunteers run kids sport.
8. **Understand** - uphold and support your club's code of conduct.
9. **Allow your child to play for themselves** - let them make the decisions, on and off the field.
10. **Think before you speak** - your words may harm others.
