Swimming

Our annual carnival is next Monday February 13th February. Two programs will operate so that all students are encouraged to participate according to the levels of confidence in the water.

Our carnival will be followed by the Primary Zone Swimming Carnival on Friday February 17th, then the Regional Swimming Carnival for Primary and Secondary on March 6/7.

Good luck to all the competitive swimmers who have goals to represent the school at a higher level.

Heat

Students have been advised to wear a hat and drink lots of water particularly with the prevailing extreme heat.

They will remain in air-conditioned classrooms for the majority of their day.

Cheers

Chris Clarke
Principal
