## Dear Parents and Caregivers,

### Welcome new students

A very BCS friendly welcome to newly enrolled students:

Isaiah Currin Year 1  
Dakota Currin year 1  
Isabella Currin Kinder  
Costa Rooze Year 5  
Storme Anderson Year 1

### Sickness

School attendance has been severely impacted over previous two weeks due to the sickness sweeping through our community. Hopefully we see the end of it sooner than later and everyone can return to good health.

### Major Performance -Baradine Central School On Tour

Your children have been rehearsing throughout the year for our major performance night. The theme this year is **BCS On Tour** and the show is a must for all families so please mark the date on your calendar. It will feature every class visiting a particular destination in Australia with lots of dancing, acting and singing.

It was necessary to change the date several times but we now have a locked in the date **Tuesday September 19, 7pm.** There will also be a matinee performance at 11.30am on the 19<sup>th</sup>.

### Information Session for Parents

The school executive is hosting an information session this evening (Sept 4) at 6pm in the school library. *The topic is*

*homework. The executive will provide information for you on why homework is an important aspect of Baradine Central School's operation and how it benefits your child. All welcome.*

### P&C Delegation

Attendees at the previous P&C meeting 21/8/17 have been invited to join me in a meeting with Mr Sean Andrews, Director, Public Schools NSW on Wednesday at 11.30am. We will be discussing the school's vision for the next three years and the delivery of curriculum K-12 at BCS.

### School Fees

It is customary practice for secondary students enrolled in practical subject courses to be asked to pay fees to cover the costs of their projects etc. A list of fees is printed in this newsletter for your attention.

### Lands Council Mural painting

The Baradine Local Area Lands Council has sourced a professional artist to work with BCS Year 7 & 8 art classes to produce a new mural painting at the Lands Council. Preliminary planning has already been conducted and the students will take up their paint brushes on September 20<sup>th</sup> and 21<sup>st</sup> to produce the work. The school will be cofounding this exciting project with the Lands Council.

## HSC Major Project

On Wednesday the 30<sup>th</sup> of August the results of a year of hard work and problem solving were realised when assessors from the NSW Education Standards Authority arrived at Baradine Central School to mark HSC major projects. Ethan Andrews should be very proud of his effort, with his Jarrah bar stool attracting attention from teachers and students alike when on display in the library. Well done Ethan.

## VET Work Placement

On Monday the 28<sup>th</sup> of August two Baradine Central School students began a week of work placement for their VET Metals and Engineering course. Work placement provides students with the necessary industry exposure required for the completion of their course and helps to give an insight into the wide range of work available in the fabrication field. Hugh Horder and Kane Olsen undertook their work placement at Agriweld Engineering in Dubbo, which had them working at the Taronga Western Plains Zoo doing work on various enclosures. Both students are to be congratulated for their exceptional work placement reports.

## Senior Education

Last week our Year 12 students sat their Trial Higher School Certificate Examinations. This is a gruelling week of exams with some students sitting up to 19 hours of exams during the week. The teachers were very proud of the effort that was put in and are expecting some great results to come out of these. Attention now turns preparation for the Higher School Certificate Exams which commence from the start of October.

Next week Year 11 will sit their Yearly Examinations. This is a large chunk of their assessment tasks so please ensure your child is revising thoroughly at home and are well rested before these commence. Students have been given a timetable and are expected to be at their exams on time.

Next Monday, 11th September our school is hosting a **subject selection information session** for Year 10 students going into Year 11 next year. All Year 10 students and their parents/carers are strongly encouraged to attend this session. It will cover requirements with study in Year 11/12, subjects the school will offer next year and provide valuable assistance in choosing the correct subjects for senior study. This session will commence at 5:30pm in the school Library and will last about 30 minutes.

## Regional Athletics

On Friday 1st September 8 dedicated athletes travelled to Tamworth to represent the Coonamble Zone at the annual Regional Athletics Carnival. Students competed well with many of them improving their personal best times in running events and distances in field events. The students must be congratulated for their amazing efforts, fantastic sportsmanship and impeccable manners. The students would like to thank Mr Ramage and Richie Milgate for their additional training sessions to help them prepare for the carnival.

## Ag Quip

On Thursday the 24th of August, 15 students and three staff members attended Ag Quip. Students were given a research task to complete on the day, and this involved researching two of the latest technologies in farming.

All students had a great day and enjoyed visually assessing technologies and other pieces of equipment that took their interest.

## Central Schools State Netball

On Friday the 25th of August 10 Baradine Central students headed to Dubbo to participate in the Central Schools State Netball finals. The Girls played a total of 5 games for the day and recorded 1 win for the day and lost 2 games by less than 5 points which is a huge achievement for such a small school. This placed the girls in 5th position for the day which now means they are the 5th best Netball team out of all Central schools in N.S.W which is unbelievable achievement. Well done girls.

Savannah, Ashlee, Stephanie, Holly, Mariah, Haylee, Zoe, Ashanti, Madison & Molly

## Ronnie Gibbs Carnival- Bourke

On Tuesday the 29th of August 17 excited Baradine Central students set off for the annual Ronnie Gibbs carnival in Bourke. Students camped at the Bourke Public school enjoying a night of games and movies along with a great meal prepared by Mrs Hotchkiss.

On Wednesday students woke energetic and enthused for a great day of Rugby league and Netball. All students played to the best of their abilities and came away with wins in each of their age divisions.

Our under 14's Rugby League team went through the pool stages undefeated, but unfortunately lost in the semi finals against a high quality Nyngan High team. I would like to thank Ben Baker, Ben Lancaster, Bronwyn Masman and Rowena Pennell for their help, support and encouragement to all students throughout the excursion.

4th row: Peter Knowles, Corey Bruce, Max McGlashan, Regan Evans & Billy Carey

3rd row: Nigel Lennon, Brody Whillock, Jackson Fitzgerald, Blake Olsen, Ted Matthews & Liam Ryan

2nd row: Holly Woodham, Molly Murray, Mariah Pennell & Zoe Gardner

1st row :Madison Masman & Ashanti Pennell
