## MESSAGE FROM THE PRINCIPAL

Dear Parents and Caregivers,  
Supervision of students at BCS is a professional responsibility of all teachers that is taken very seriously. Adequate supervision constitutes a teacher having a line of sight with students for a given period of time. Teacher responsibility commences at 8.30am each morning when students start to arrive through the school gates. Students are expected to depart the school promptly by 3.30pm unless they are participating in extra curricula activities such as Homework Centre and have prearranged consent.

Students are supervised directly during both class sessions and playground sessions. Students are usually dispersed to different areas during playground sessions. Primary and secondary have specific areas for eating their recess and lunch food.

During the second half of lunch, students K-6 have the choice of playing on the fixed equipment, the lawn area or going indoors for library activities. Secondary students walk across Queen Street to the hard courts and playing fields and engage in a range of physical activities.

Students are routinely taught the school's behaviour expectations, rules and consequences for non-compliance. Students are able to enter toilet blocks unsupervised unless there is an issue.

When necessary, students are removed from the playground. When necessary, younger students are escorted by staff to and from toilet blocks for a defined period of time. When necessary, increased supervision and monitoring occurs of the secondary toilet block.

Most days, Baradine Central School is very proud of the student body's positive behaviour and respect for school values and rules.

My mantra to the students K-12 is *Be happy, be safe, learn lots!*

## ANZAC DAY APRIL 25

Anzac Day is commemorated on April 25<sup>th</sup>. This year is very significant as it marks 100 years since World War 1. Later in the year on November 11 we will pause to remember Armistice Day (the end of World War 1) and the 100 year anniversary. Students at Baradine Central School have researched Anzac Day and written about their findings in personal projects. These will be on display for the

community in the Cultural Centre from 9am to 1pm on Anzac Day.

Students are requested to meet staff at the Discovery Centre in Wellington Street by 10.30 am for the annual Anzac Day March.

Please wear full summer uniform with school hat or cap, ties, badges etc.

Our school student leaders will conduct the service in Memorial Hall following the short service at the cenotaph.

## HEALTH CHECKS

Thank you to those families who have returned their permission notes for the annual free health checks for all our students conducted by the Coonamble Aboriginal Health Service. The check includes dental, vision, hearing and general health. Communication occurs directly between AMS and parents if a referral is issued for medical follow up.

## VACATION

I'd like to wish students, families and staff a safe and relaxing two week vacation. Staff return on Monday April 30<sup>th</sup> and students on Tuesday May 1<sup>st</sup>.

## SCHOOL NEWS

### Kindergarten L3 Training

Throughout the course of the year, I will be completing a total of 7 professional development sessions in Walgett around Kindergarten Literacy, Learning and Language. This program supports all areas of literacy development and is proven to have fantastic results. The training allows me to develop individualised, independent activities that support students learning needs as well as explicit teaching to enhance their skills. Developing rich conversations, exploring a variety of books and early writing skills have been the focus over the first two sessions.

I look forward to developing my skills and understandings to improve the reading, writing and language skills of young children.

Kindergarten Teacher

## EASTER HAT PARADE

On Thursday 29<sup>th</sup> March Baradine Central School held its annual Easter Hat Parade. The parade consisted of three categories: Easter Hat, Colourful Clothes or Easter character. There was a winner and highly commended for each section across both Infants and Primary. A huge thank you to all parents and carers who took the time to help their children create such wonderful, creative hats. The overall participation and involvement was a huge success.

## AUSTSWIM

On Wednesday 21<sup>st</sup> March I attended AUSTSWIM training in Gunnedah. The day started at 8am and finished at 5.30pm, with 3 hours practical in the middle. On the day I learnt about the different strokes, survival strokes and drills to correct and teach these strokes. I also engaged in different rescue approaches to both teach and use. Following the training, I am now to complete an online exam and a number of swimming lessons across all different swimming abilities.
