MESSAGE FROM THE PRINCIPAL

Dear Parents and Caregivers,

As today is the last day of the school term, I would like to wish all students and their families a safe and restful two week winter vacation. School resumes for students on Tuesday July 24th.

Student Semester One reports were released on Wednesday in family packs to the eldest in each family to safely convey home to you. Parents are encouraged to make an appointment to discuss the report with your child's teacher or year advisor early in the new term.

Students involved with the Great Barrier Reef excursion have been provided with their **Gear List** this week to facilitate forward planning and packing for this major event. The excursion departs on September 7 and will come around very quickly next term.

NAIDOC day in Baradine is once again being hosted at the town oval by the Baradine Local Aboriginal Lands Council. The special day is planned for Friday August 3rd and will

involve all the local schools coming together with community to celebrate the Aboriginal heritage of the traditional owners, the Gamilaraay nation.

Education Week is an annual event in Term 3 and this year the theme is **Today's schools - creating tomorrow's world.**

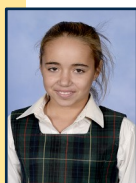

Education Week occurs from August 6-10 and our school will have a host of activities planned to engage with the community and celebrate the quality teaching and learning that is representative of our small and unique central school.

The annual athletics carnival was conducted last week and this newsletter features lots of candid photos taken on the day. Our competitive athletes will contest the zone/regional carnivals early next term and we wish them best of luck with their personal goals.

ATHLETICS CARNIVAL

Baradine Central School is collaborating with Smiles Onsite to promote healthier, happier smiles at our school!

This incredible service is being offered for FREE under the federal government's Child Dental Benefits Schedule (CDBS).

All students will be given a consent form to bring home so that they can participate.

How does it work?

The Child Dental Benefit Schedule grants all eligible parents with \$1000 worth of Medicare towards dental per child, over a two-year period. Eligible parents should receive a confirmation letter; however if you are still unsure, Smiles Onsite can check for you on completion of their consent form.

Can I make use of this service if I'm not eligible?

Of course! Smiles Onsite can do almost everything that your local dentist can do on board their state-of-the-art mobile Clinic. If you would like them to see your child for a scale and clean, fillings, fissure seals etc., these services can be offered with NO GAP payable at a price of \$99.

This service is a great opportunity to get kids into the habit of good oral hygiene, and we hope you're as excited about it as we are!

You can fill out the dental consent form for your son or daughter by inserting this link on the web browser -

<https://form.jotform.co/81767409102860>

If you have any further questions about this program or your eligibility, please contact Smiles Onsite directly on 1800 276 453.
