Well done girls, you are inspirational.

'You have worked hard for what you have achieved'.

See article on page 4.

MESSAGE FROM THE PRINCIPAL

Dear Parents and Caregivers,

HSC Trials

Best of luck to the five Year 12 students Ashlee, Samantha, Carl, Liam and Hugh, who commenced the HSC trial examinations today. This cohort only have five weeks of schooling left before their final day on September 28. The HSC exams are spread over four weeks commencing on October 22.

Year 11 Exams (HSC Preliminary)

Next week it will be Year 11's turn to undertake formal examinations marking the completion of their HSC Preliminary year of study. These students then commence Year 12 after the holidays.

Year 10 Subject Selection Night

The current Year 10 students and their parents are meeting tonight to choose the subjects they wish to nominate for study in Years 11 and 12. English is compulsory but the other five subjects to be decided will be all personal choice.

Drought Aid Partnerships

Our school has been approached by several generous city schools offering support following all the media interest in the drought. Our student representative councils for Junior School, Middle School and Senior school have met and discussed these offers of drought aid and suggestions of how to meet our needs. I have passed their ideas onto the relevant people and look forward to hearing from them in the near future.

Sport – what an amazing year for our BCS girls!

Fleur Andrews – State athletics championships for high jump

Girls' Rugby – State finalists Rugby NSW

Netball – Central School finalists

Congratulations go to all concerned, especially the parents, for these girls' achievements.

External Validation

The leadership team is busily preparing a submission for BCS' External Validation by the department. The submission involves six sets of evidence that substantiate the implementation of our School Plan along with processes for self-evaluation and continuous improvement. The leadership is analysing the evidence sets to make a determination of where Baradine Central School currently operates with in the School Excellence Framework. Our theme for the submission is Personalised Learning.

Sun protection

An audit of shade available to students and staff has highlighted the need for shade cover over the primary fixed

equipment complex and also the school's hardcourts. Shade sails are the most economical short term solution but still extremely expensive. I will raise with P&C the idea of a long term fund raising effort towards this purpose. I will always pursue any grants that the school can apply for.

Great Barrier Reef Countdown

This much anticipated excursion is next week!

There will be an important parent/student briefing on Wednesday 5pm

All parents of students going on the excursion are requested to attend and bring a pen -you will have a little bit more paperwork to complete.

There will also be a special briefing of participating staff and parent volunteers on **Friday 3pm** to go over all the final arrangements and information.

Excursion and Expectations

Excursions are an integral part of school life that offer a wide range of extra curricula experiences. BCS prides itself on the opportunities it has and continues to present to students. However, majority of excursions involve an enormous amount of pre-excursion preparation and assessment of the risks. This is necessary to ensure that the students participating are up to date with the classwork and safe in all aspects of their wellbeing.

Students cannot participate in an excursion if they have unsatisfactory attendance at school or unsatisfactory behaviour. This is school policy and clearly stated on each excursion note.

P&C

The next P&C meeting is scheduled for Wednesday at 5.30pm. I hope to see you there. **I will be presenting several community bids for the school canteen operation and require a P&C endorsement of an application.** I would also like to hear from parents your views on sporting excursions, their frequency and costs. It may be possible to form a small P&C sub-committee to work with the sport teachers to organise uniforms, practice, travel etc.

NAPLAN online

Last week, students in Years 7, and 9 were required by the Dept of Education to undertake a practice test for NAPLAN online. This week, Years 3 and 5 students will also sit the practice test.

Last year, the current Years 4,6,8 and 10 did a similar practice test.

Best of luck

Best wishes to all sporting teams competing this week. Our school will be represented Central schools netball finals and Central school rugby league 7s 14yos.

Also, we will all be cheering on the Magpies Ladies League Team who play on Saturday in the major semi-final against

Coonamble. This team includes students Holly Arndell, Ashlee Olsen, Zoe Gardner –Siemsen along with BCS mums Toni, Caroline, Shontane and Kira

*Cheers
Chris Clarke
Principal*

Staff Thumbs Up Award

*Carol Hotchkiss
Commitment & Dedication to BCS.*

Assembly Awards

Student of the Week

Malaki Sutherland

Working well and trying hard in science lessons.

Lincon McConaughty

Writing a detailed information report in writing this week.

Suzannah Carey

Great contribution to whole class discussions.

Poppy Evans Prouse

Handing in a draft English assessment early and being prepared for classes.

Alice Harris

Displaying quality skills in fundraising for the Great Barrier Reef, including giving up her recess time.

Brody Whillock

Dedication to the metalwork project.

Ashlee Olsen

A mature approach to planning her future career path.

Positive Behaviour for Learning

Reegan Siemsen

taking pride in school uniform and appearance.

Storme Anderson

Respect- Taking pride in wearing her full school uniform.

QUALITY: Takes pride in uniform and appearance.

Paige Bissaker Morgan

PARTICIPATION - For participating in class discussions and activities.

Zac Haywood

Displaying quality skills in fundraising for the Great Barrier Reef, including giving up his recess time.

Jo Rawson

Excellent work with fundraising for the Great Barrier Reef Excursion.

Congratulations

Girl's Rugby 7's Dubbo

On Wednesday the 15th of August our Girls 7's Rugby team travelled to Dubbo to compete in the Western Regional finals.

The day started with the round matches and the competition split into two pools A and B.

We were successful in our first match against St John's Catholic from Dubbo. Our second scheduled round match was against Orange 2, who entered two sides in the competition. We beat them convincingly with a clinical display by our girls.

After winning these games we progressed through to the final after winning Pool A which meant we played the winner of Pool B. This set up an intense final against another Dubbo team, Magg's Anglican College who had a good reputation.

The final was only two minutes old when the Dubbo team scored a try against us which was the first time this had happened all tournament. Within minutes we regained possession and then posted a try of our own to settle our nerves. After the first try our girls started to play the Rugby that got them to the final. This was a pressure game for our girls who were aspiring to make it to the State Finals. Once we started to improve our defence the girls ran away with the final, winning by a big margin. The highlight of our day was our strong defence which complemented our attacking raids.

We are automatic qualifiers for the State Finals in Sydney on Tuesday 25th September, where we will be taking on winners from other regions in the NSW and metropolitan areas.

Thanks to all parents for their support.

Congratulations and best of luck at the State Finals!

STATE FINALIST- HIGH JUMP

Congratulations to Fleur Andrews who was placed first in High Jump at the North West Regional Athletics Carnival.

Fleur will now head to Sydney to compete at the State Championships!

Science Day

Primary Rugby 7's Gala Day- Gular

On Friday 10th August, 9 amazing students travelled to Gulargambone to participate in the Rugby 7s Gulargambone Cup.

Prior to this event the student received contact rugby union training from Luke Mack who is an experienced coach.

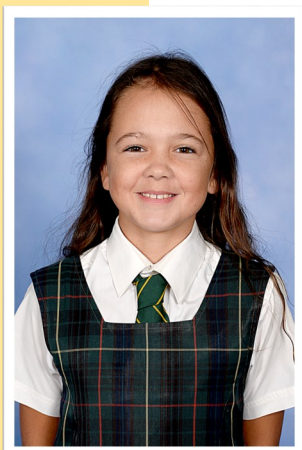

Rugby 7s is a new sport for primary at Baradine Central.

The students have been embracing the new skills taught and demonstrated their growing knowledge of rugby union in competition.

Amazing tries were scored by Jorja and Brendon at the gala day.

A big thank you to Richie for driving the bus and coaching the students on the day.

Primary Homework

<p>Kinder/Year 1 Miss Lummis</p>	<p>Homework for Kindergarten/Year 1 this week is weekly spelling words, a maths worksheet and the news topic.</p> <p>Poems that children have chosen will also be included as part of a public speaking event coming up later this term for the children to practise. If your child wishes to write or choose their own poem, they can do so and bring it in to school with their homework.</p>
<p>Year 2/3/4 Miss Dorman</p>	<p>Homework Requirements</p> <p>Home Reading – Students should complete 10+ minutes of reading each night. Students will be given a home reader to take home each week. This reader will be replaced when the previous book has been returned.</p> <p>Spelling</p> <p>Students need to learn to spell their words for the week. They can write, sing, rap or say their words, whatever is going to work best for them. You might like to give your child a verbal spelling test each night after they have had a go learning their words themselves. An in-class spelling test will be done weekly to check progress.</p> <p>Maths</p> <p>Students will receive a weekly maths worksheet that focuses on the skills learnt in class that week.</p>
<p>Year 5/6 Miss Baldock</p>	<p>Homework is given out every Monday and is due every Friday. It comprises of a choice matrix, spelling, multiplication practise, home reading and a speaking and listening project. Don't forget Homework Centre is on every Wednesday! It is a great place to complete all weekly homework tasks. Remember to bring in a piece of fruit or veg for our daily 'crunch and sip'.</p> <p>Don't forget to keep sending in your empty soft drink bottles and cans to school for the 'Return and Earn' program. This is one of our major fundraisers for this years excursion to Canberra.</p>

Homework Centre

Every Wednesday
Primary & Secondary
3.30 - 4.30pm
School Library

Sporting Schools

Kindergarten – Year 6

Every Thursday
3.30– 4.30pm
