The school and community has kindly been gifted possum skins to go towards the making of a Possum Skin Cloak. Each skin will tell a story from Indigenous and Non-Indigenous backgrounds of the local community.

Thank you to Warrumbungle National Parks Environmental Education Centre Principal, Mr Wes Leedham and team for the kind donation.

Pictured are our Year 5/6 students accepting this kind donation.

Thank you!

MESSAGE FROM THE PRINCIPAL

Dear Parents and Caregivers

Welcome Ms Shannan Campbell

Ms Campbell ex Lightning Ridge Central School, joined our staff today, filling a Personal Development, Health and PE vacancy left by Mr Schollbach last term. Ms Campbell is an experienced teacher across a number of subjects and will be a valuable asset to both the school and community. Welcome Shannan!

National Reconciliation Week

Last week was National Reconciliation Week. BCS students learnt about the meaning of Sorry Day and the importance of observing our nation's path forward in uniting the people.

International Excursion

A preliminary note was given out today to secondary regarding the possibility of an overseas excursion next February.

BCS is currently seeking approval from Department of Education to take students to Winnipeg in Canada in 2020. The visit would coincide with the major cultural festival and the end of winter climate. The expectation is that students will form close association with students their own age by attending the local schools for a week and staying with host families. They will experience living in a very different climate to Baradine.

Sport

Good luck to all sporting teams plus individuals who are competing over the next two weeks. They include:

- ⇒ Madisen McGill & Claudia McConnaughty: North West **Equestrian Expo** Coonabarabran.
- ⇒ Samuel Pagett, Jordan Pagett, Brendon Evans, Kalem Hinchliffe, Tyson Dunn, Tyler Mayall & Jayden Ryan: Senior Primary boys **PSSA Rugby League** knockout, drawn to play Walgett and if they win, then Gunnedah.
- ⇒ Emily Murray, Suzannah Carey, Paula Evans, Leila Ruttley, Jayla Ruttley & Tanaha Knight: Primary girls **Western PSSA Rugby League** gala day in Dubbo, composite team with Gulargambone & Coonamble.

⇒ Claudia McConnaughty, Chelsea Woodham, Tess Rawson, Halle Hinchliffe, Jorja Carey, Savannah Carey, Holly Arndell, Fleur Andrews, Madison Masman, Holly Woodham, Erica Morgan, Anna Arndell, Molly Murray & Zoe Gardner: Secondary girls, rugby union, **Mahalia Murphy Cup** Coonabarabran.

⇒ To be announced: Secondary **Regional Cross Country** qualifiers for Mullaley.

Disco Thursday Night

Our senior SRC is running a much anticipated disco for both primary and secondary on Thursday night. The theme is Outback.

P&C Meeting/fundraising agenda

Our new P&C will be meeting next week on Thursday June 13th, 6pm at the Bowling Club. Please come along with your ideas to support fundraising for our busy school.

Moorambilla

Congratulations Poppy Evans Prouse who was selected by Moorambilla to participate in a special workshop over the weekend. The weekend tuition was to prepare the Maxed Out taiko drummers for an upcoming tour to Ballina.

Primary Pet Goats

The primary students are now the proud carers of two nanny goats and their four baby kids. The secondary student project team are planning alterations to the school's goat enclosure to keep the goats safe from town dogs and foxes.

School Cattle Update

Agriculture students are currently doing a mighty job of breaking in five tough limousin steers & heifers. The cattle are being prepared for a steer show at the EKKA (Brisbane Royal) in August.

Our first stud progeny is for sale. Ozzie is a handsome 18 month old bull showing all the characteristics of the Santa Gertrudis breed. He will make a great addition to any commercial herd.

One of the stud cows, L68, is due to calve in August. She was artificially inseminated to a prize winning bull from

Dennis Moxey's stud at Forbes.

Our other cow L61 and her 18 month old heifer are being paddock joined this month to a \$54,000 bull owned by Sylvia Kirkby at Narrabri. Both of these females have now been classified and branded by the Santa Gertrudis Society.

Feeding our cattle is a very expensive exercise particularly with drought continuing.

School Assembly

The next school assembly won't be until July 3. This is to allow time in the timetable for classes to practice their Dance Extravaganza items.

Teachers will continue to present fortnightly assembly awards but at morning lines.

Director Visit

Mr Chris Shaw Director, Educational Leadership, Rural North, Western Plains Network, will be visiting on Thursday this week to meet with the leadership team and discuss the school's progress with our School Plan 2018-2020.

Attendance

All enrolled students are required to attend school daily unless an exemption has been authorised by the school principal or the student is sick.

Sick leave needs to be supported by a doctor's certificate when more than two consecutive days.

Parents and carers are required to explain all absences. The school attendance checking system, generates automatic letters to parents when absences are unexplained. We are looking at the feasibility of setting up a new system of automated text messages to replace mailed letters.

Cheers

Chris Clarke

Principal

Term 3 - Pupil Free Day Date Change

From Monday July 22nd to Friday August 2nd.

We offer for sale Ozzie

A well-bred Santa Gertrudis bull named Ozzie.

Ozzie was born on the 25th of January 2018 and has been assessed by the Santa Gertrudis society. His Mother and Father are well bred stud cattle from the "Wavehill" stud owned by Philip Kirkby located at Narrabri. Their comments were, a tremendous looking bull with fantastic Santa characteristics. He has the true Santa Gertrudis head, a long pin to tail throughout his rump and a very well put together animal. Ozzie has been broken in and shown by our students at Baradine Central School. He would be a great bull for any breeder. He was awarded the champion ribbon for Bos Indicus breeds at the Baradine show this year.

Please contact Christine Clarke at Baradine Central School to make an offer. 02 68431805

Year 10 Aspire Connect - Sydney

On Monday May 20th, six students from Year 10 travelled to Sydney for the annual ASPIRE Connect excursion. The program is an academic enrichment event that aims to increase the knowledge of higher education and professional career pathways. Students enjoyed participating in a variety of university activities including, faculty workshops, lectures and group work that focused on communication and presentations. Students also visited a variety of industries to give them an idea of what a degree could look like in a workplace setting. Students visited hospitals, Rugby NSW, Cricket NSW, law firms, The Contemporary Art Gallery and corporate buildings.

They also got the opportunity to relax and see what Sydney has to offer. They attended the movies, Circular Quay, enjoyed gelato and saw Parramatta take on Penrith in Thursday night's NRL game. All students were well behaved and should be commended on their positive and active participation in all activities throughout the week.

Year 7/8 Warrumbungle Geography Excursion

The Year 7 and 8 Geography classes had an amazing time climbing Split Rock in the Warrumbungles. The singular opportunity was a practical application of course content, where students had the opportunity to be Geographers in our closest spectacular natural environment. The students climbed over rocks, took temperature readings, measured height and contours, all while being with their peers on a perfect day.

The weather was excellent and our group leader, Ange, was a source of constant inspiration and knowledge. Students excelled at both, finding their feet and finding ways to overcome difficulties. All students showed their spirit and enthusiasm at all tasks. While there may have been tears, both staff and students felt nothing but pride at the achievements, skill and support of these growing adults. Clearly, the Australian bush 'the wild' is no match for the classes of 2023 and 2024.

After traversing difficult terrain, students had lunch to nearly 360-degree views. Photos and a steep decent were covered in what felt like minutes. Smiles were on everyone's' faces.

This was a wonderful event. A big thanks to all the students who attended, Ange Bunner(Ranger), Miss Rayment, Mr Rowe and the Warrumbungles Shire Council Education Centre, with whom this event would not have been so amazing.

A massive thank you to all parents who helped in time keeping and also to the secondary students who offered their time to help ensure the event ran smoothly. It is this help that ensures a successful event and your support is appreciated.
