ADMINISTRATION MANAGER

Mrs Wendy Leonard

P&C PRESIDENT

Ms Kylie Hyde

We are pleased to congratulate Year 11 student Ashanti Pennell, who has been selected in the NSW Combined High Schools Girls 18's 1st Rugby 7's squad.

We wish her all the best and could not be more proud of her achievements.

Congratulations Ashanti!

MESSAGE FROM THE PRINCIPAL

Dear Parents & Caregivers,

VAPING – Health Alert

Facts

A vaping craze is sweeping our high schools.

1 in 5 teenagers are reported to be vaping.

Vapour contains nicotine and is addictive.

You won't smell vapour on your teenager.

Further information is attached.

Attendance K-12

Attendance data continues to be a major concern for BCS. Consistency of daily attendance is essential for learning progression and positive outcomes from the teaching of the school's curriculum. The graph show the number of students who are attending school daily for:

0-49% of days

50-79% of days

80-89% of days

90-94% of days

95-100% of days

There is a whole school focus to improve attendance and closely monitor the data. You can clearly see that there needs to be a bigger representation of students in the 95-100% range.

School Farm Enterprise

A meeting is being scheduled for interested people from the community to form a committee and establish a sustainable Farm Enterprise with the school. The proposed enterprise would feature the development of an education package to market and sell to city schools to undertake excursions to Baradine and visit and experience the school's farming activities.

Thank you to Ken Hinchliffe who has donated a load of fire wood that will be raffled to support the school farm.

P&C Meeting

P&C held its monthly meeting on Monday. Paul White is doing a great job in organising insurance and affiliation details with NSW P&C Association. Planning is in progress for a colour run fundraiser in Term 4.

Farewell Mrs Leistra

Unfortunately for BCS, Mrs Melissa Leistra's tenure will draw to a close next week. Mrs Leistra has contributed much to our school over the last 19 months, with her valued leadership skills, experience and knowledge. She also taught classes for Food Tech, Hospitality, Physical Education Health & Personal Development and was the Year 9 cohort Year Advisor.

Mrs Leistra and her family are relocating to Tasmania where she will take up an appointment at Launceston from the start of Term 3. On behalf of the BCS community I sincerely thank her for her contributions and wish her all the best for her new endeavours.

NAIDOC theme 2021 Heal Country

BCS is celebrating NAIDOC in the last week of term.

Class activities will be scheduled throughout the week. An Indigenous artist is visiting to paint a mural and work with small groups during the week. Some students will be showcasing a cultural dance with support from guest instructor Dylan Neville.

At the end of the week, all class activities will be on display in a fete like atmosphere – painting, bead making, and boomerangs. There will be an art competition and one of our

Elders will officiate as judge. The winner will have their design on a special wooden boomerang to be donated to the community.

Parents, carers and visitors will be welcome to join us on Friday June 25, for a barbecue, view the new mural and students work. There will also be a display of traditional Aboriginal artefacts with Merv Sutherland on hand to explain the significance of each to the students.

Good Luck Cross Country contestants

BCS has 21 students travelling to the hills of Coolah on Thursday. They will be contesting the North West Regional cross country championships.

VAPING: E-cigarettes and young people

NSW Health

What is an electronic cigarette?

Electronic cigarettes or e-cigarettes are battery operated devices that heat a liquid (or e-liquid) to produce a vapour to inhale. Using an e-cigarette is sometimes called 'vaping'.

E-liquid contains a range of chemicals or flavours, and often contains nicotine. E-cigarettes with nicotine are illegal in NSW.

E-cigarettes come in many shapes and sizes and can be made to look like everyday items including highlighters, pens or USB memory sticks. Vapour from e-cigarettes does not usually have a strong odour but they may have a sweet smell depending on the flavour.

How many people in NSW are using e-cigarettes?

In 2019, the [NSW Population Health Survey](#) found that:

1.8% of NSW adults aged over 16 years of age had ever used an e-cigarette

18.1% people aged 16 to 24 had ever used an e-cigarette.

Data on [teenage vaping from 2017](#) showed that:

9.5% of students aged 12 to 15 years had used an e-cigarette

20.7% of students aged 16 to 17 years had used an e-cigarette.

What are the health risks for young people using e-cigarettes?

E-cigarettes can contain high levels of nicotine. Adolescence is a critical period for brain development and exposure to nicotine can have long-term health consequences, impacting memory, attention and learning. E-cigarettes are often labelled incorrectly and can contain nicotine, even when they claim not to.

Nicotine is highly addictive and research suggests that young people can become more easily addicted to nicotine than adults. Research also indicates that young people who use e-cigarettes may be more likely to go on to use regular cigarettes. E-cigarettes that do not contain nicotine are still not safe and can have negative, long-lasting health outcomes for young people. Vapours can contain the following: cancer-causing agents; toxins; heavy metals; and very fine particles that can cause adverse health effects.

Although e-cigarette packaging can list some ingredients, it may not include all chemicals in the vapour and researchers have found that toxic metals from e-cigarettes may be released into the vapour when inhaled.

E-cigarettes are often available in different flavours which can be appealing to young people. While some chemicals in e-liquid are also used in food production and are generally considered safe when eaten, this does not mean they are safe when they are inhaled directly into the lungs.

HSC seminar

Year 12 students will be participating in seminars with Dubbo Senior College campus on Thursday and Friday this week

Wood Raffle

Mrs Wright and the agriculture students are selling tickets in a wood raffle to be drawn during NAIDOC.

Cheers

Mrs Chris Clarke

Principal

Selling e-cigarettes to a person under 18 years of age is illegal

Just like tobacco products, selling any e-cigarette or e-cigarette accessories to people under 18 years of age is illegal in NSW, regardless of whether the product contains nicotine or not.

If you suspect someone is selling e-cigarettes to minors, you can report it to NSW Health by completing the [online reporting form](#) or call the Tobacco Information Line on 1800 357 412.

Selling e-cigarettes containing liquid nicotine is illegal

The sale of liquid nicotine to any person in NSW, including in e-cigarettes, is illegal under NSW poisons legislation. It is also banned in all Australian jurisdictions. The sale of liquid nicotine to any person in NSW, including in e-cigarettes, is illegal under NSW poisons legislation. It is also banned in all Australian jurisdictions.

Some e-cigarettes that have been found in NSW contain as much nicotine as a packet of cigarettes.

The sale of flavoured e-cigarettes (without nicotine) to adults is legal, however, these devices are regulated in a similar way to tobacco products, e.g. their display and advertising is banned.

What can you do as a parent or caregiver?

There are ways you can help protect your children from e-cigarettes as a parent or caregiver:

Talk to your teenager about why e-cigarettes are harmful for them. It is never too late to have the conversation

Learn about the different types of e-cigarettes available and the risks associated with using these products

Set a good example by being tobacco free

Report those who are selling e-cigarettes to minors or selling e-cigarettes containing nicotine. You can do this by completing [by completing the online reporting form](#) or calling the Tobacco Information Line on 1800 357 412.

Nicotine poisoning

Too much nicotine from e-cigarettes can cause nicotine poisoning. If you think someone has been poisoned by liquid nicotine, please call the Poisons Centre on 13 11 26 immediately or 000 if it is an emergency. For more information see [NSW Poisons Information Centre](#)

Celebrating our Staff

juggling full time employment with serious study to gain further qualifications (post graduate training).

Ms Marjory Drummond

Ms Drummond is a maths teacher with exemplary qualifications and experience.
 Bachelor of Teaching/Bachelor of Science (Specialising in Mathematics) with Honours, University of Newcastle
 Master of Education (Specialising in ICT in Education) with Distinction, University of Newcastle
 Doctorate of Education University of New South Wales.

Miss Monique Baird

Ms Baird has a Bachelor of Education and a Bachelor of Arts majoring in English with a double minor in Ancient and Modern History, completed at Macquarie University. She is currently working towards completing a Bachelor of Educational Studies at Charles Sturt University, majoring in Agricultural Studies and will then pursue a teaching career in English, History and Agriculture.

Miss Holly Lummis

Miss Lummis completed a Bachelor of Education (Early Childhood and Primary - Birth to 12 years) at Charles Sturt University, Dubbo in December 2014. She is currently undertaking Masters of Inclusive Education at Charles Sturt University, Bathurst, via Distance Education. She is due to complete this degree by November 2021.

This degree will help further her career in working with and supporting students that have additional needs, including those with disabilities, learning or behavioural needs.

Mr Stewart Row

Stewart is commended for his decision to upskill from School Learning Support Officer (SLSO) to a teacher. He is commencing studies in July, for a Bachelor of Education Secondary degree.

Stewart currently holds qualifications Cert III and Cert IV in Fitness and was involved in the fitness, strength and conditioning industry for nearly 15 years, 6 of those running his own gym.

NAIDOC 'Heal Country'-School Activities/ Cultural Day - Friday 25th June

Getting to know Miss Lucy Dorman - Primary Classroom Teacher

When did you decide to be a teacher?

I decided I wanted to be a teacher when I was in primary school.

Why/how did you decide to become a teacher?

I always enjoyed going to school and I had some really inspirational and supportive teachers that I looked up to.

What do you love about teaching?

I love creating meaningful and enjoyable lessons that the students enjoy. I also like creating a safe and supportive classroom where the students in my class feel comfortable to take risks with their learning.

What do you not like about teaching? There is a lot of marking paperwork associated with teaching so it is important to stay organised.

If you were not a teacher what would you be?

I would be a school counsellor if I wasn't a teacher.

Are there any funny stories from teaching?

I took the Year 6 leaders to Sydney last Year for the Young Leaders Conference and left the paperwork in a safe place on the train. I didn't realise until after the train had left. Richie had to return to Central Station and retrieve it for me late in the evening.

What/who do you teach?

This year I am teaching Year 4/5/6. I have taught some of the students in my class since they were in Year 1 and 2.

What drew you to Baradine Central School?

I saw an advertisement on the internet and thought it looked like a lovely School in a small town. I found the fact that it was a Central School interesting as I had never heard of one before.

What does an average day look like?

An average day for me is getting up, feeding my puppy, getting ready for work, eating breakfast and rushing out the door. I live in Coonabarabran and it takes about 35 minutes to drive to work.

Where are you from?

I grew up in Newcastle which is where my family are still located.

Growing up, what was your favourite subject in school?

My favourite subject in primary school was always Art. When I was in my senior years of high school I enjoyed Community and Family Studies (CAFS).

Growing up, what was your least favourite subject in school?

My least favourite subject in high school was Year 8 Geography. This wasn't due to the content, we just copied notes from the board for the entire year.

What things/activities did you enjoy as a kid?

When I was younger I loved roller skating and going to the beach.

Have you been overseas? If yes, where to?

Yes, I have been overseas. The last trip I went on was to Nepal and India in January 2020.

What is one place in the world you have always wanted to visit/see?

I have always wanted to go to Egypt and the Bahamas.

How do you find Baradine as a town?

I find Baradine a lovely town that has a tight knit community. I find it really lovely that everyone knows each other.

What is your favourite thing/activity to do now outside of school?

I enjoy going on road trips to other towns, going to the movies and visiting the beach during the school holidays.

What is your favourite song?

My favourite song is Dancing in the Moonlight by Toploader.

What is your favourite movie?

My favourite children's movie is The Grinch. I watch it every year on Christmas Eve.

Would you rather be rich or famous?

I would rather be rich instead of famous.

What is your favourite food?

My favourite food is anything Mexican. There is a restaurant called Mucho's Mexican in Newcastle and I love everything on the menu.

What is your least favourite food?

Broccoli and peanut butter.

What is your favourite animal?

My favourite animal is a dog.

What is your biggest fear?

Getting swooped by a magpie.

Do you have a pet? If yes what is its name? I have a puppy named Moe, he is a jug (Jack Russell x Pug)

What came first, the chicken or the egg?

I am not quite sure, off the top of my head I think the egg.

Jo Rawson Year 12
Interviewer

"THE CHICKEN - OR - THE CHICKEN EGG"

Time-Out with Cazza!

Callem Gardiner Year 3

Can you give me your full name, class and who your teachers are?

Callem Palmer Gardiner and my teachers are Ms Baldock and Mrs Horder.

What do you enjoy most about Primary school? *I like a place where you can learn and I enjoy learning and doing maths.*

What is your favourite sport? *Running, football and I really like Cross Country. I would like to go to Coolah for Cross Country but I have to see if I'm allowed.*

What do you like the least about coming to school? *I don't like handwriting very much because it's a lot harder than printing.*

What is the best thing that has ever happened to you? *When Uncle Brad takes me to special places like fishing or on a holiday to Lake Keepit. Also going to my Nans to feed the chickens as I really like doing that.*

What is your favourite subject? *Playing any sport.*

Give me three adjectives that best describes you - I'm kind, helpful, both at school and home and I'm nice.

Annalise Edwards -Year 11

Tell me a little bit about yourself: *I'm in Year 11 at Baradine Central School and live in Coonabarabran. During the school week I stay with one of my Nans in Baradine.*

Give me some words that best describe you as a person: *- I'm motivated, determined and passionate.*

What are your main strengths? *I'm confident, reliable, can work with others in a team or independently.*

Have you any weak points, if so what are they? *I dislike public speaking and also I hate asking for help.*

What is something you are most proud of? *I never give up even though some parts of subjects really get very difficult.*

What is your favourite subject and the one you find most difficult? *Biology is my favourite with Miss Rayment and the one that is most difficult is Chemistry with Mr Amiel.*

You came to BCS during Year 9 from Coona High, what were the main positives upon change of schools? *Both the staff and students at Baradine Central were all really supportive, helpful and welcoming.*

What are your plans beyond year 11 and more importantly year 12? *Hoping to go to Uni at Wagga for VET Science. Subjects that I am taking here at BCS are helping me to put in the extra effort to work hard to accomplish reaching this goal of attending University.*

When you complete your schooling here, what do you feel you will miss most? *Everything, I will miss most people and the support that I have received from staff.*

There is rain & very cold weather forecasted so please send your child with appropriate waterproof & warm clothing.

Congratulations to our primary & secondary students who have qualified for the Regional Cross Country Trials in Coolah tomorrow.

Primary - Storme Anderson, Indiannah Carey, Ami Edwards, Callem Gardiner, Brax Hinchliffe, Cooper Hunter, Preston Lennon, Lincon McConnaughty, Sonia Pagett, Leila Ruttley & Boeh Collison.

Secondary - Tyson Dunn, Braiden McPherson, Jake Martin, Suzannah Carey, Abby Thompson, Giann Worrell, Rhianna Shadlow, Claudia McConnaughty & Thomas Martin.

BEST OF LUCK

SECONDARY

Visual Art

Year 7/8

This term Year 7/8 having been learning about Aboriginal Art, looking at the various symbols used in their artworks and discovered their different meanings. They have also researched famous Aboriginal artists and the artworks that they created, presenting their findings in a report. Student are currently working on creating a dot painting featuring an Australian Animal.

Year 9/10

This term Year 9/10 Visual Arts students have been learning about how culture can influence the making and viewing of artworks, by considering society and culture in the world. Students studied the artist Richard Hamilton and learnt to critique images through the Cultural Frame. They created artworks informed by the Cultural Frame and used collage techniques to produce an artwork based on youth culture.

Ms Emma Riley
Art Teacher

Open Netball

The opens girls' netball team travelled to Wee Waa for the final round of the North West Knockout last Wednesday to play against Wee Waa High school.

All of the girls put in a fantastic effort and played a great game, however went down 44-32.

Team: Jorja Carey, Tess Rawson Fleur Andrews, Savannah Carey, Chelsea Woodham, Halle Hinchliffe, Holly Woodham, Madison Masman, Giaan Worrell, Dimitty Leedham and Ashanti Pennell

Congratulations Girls – we are very proud of you!

Miss Ashleigh Rayment
Secondary Teacher

NSW Inclusive Sport

NSW Inclusive Sport hosted Come and Try Athletics Day at Barden Park in Dubbo on Tuesday 1 June.

Four athletes participated on the day, Jack Thompson, Valerie Dunn, Shannia Egan, and Sharney Egan.

They all had a successful day and competed in the discus, javelin, shot put, long jump, 50m sprint, 100m sprint, and 200m sprint events.

Congratulations and well done Valarie, Jack, Sharney & Shannia!

Mrs Breanna Amiel
Secondary Sport

Secondary Cross Country

Secondary Cross Country was contested on Wednesday 26th May, with all students participating well.

Sub-Junior 1st place - Boys - Braiden McPherson Girls - Suzannah Carey

Junior 1st place - Boys- Jake Martin Girls - Jorja Carey

Seniors 1st place - Boys - Thomas Martin Girls - Ashanti Pennell

Congratulations

PRIMARY

Cooper Ruttley receives major State CWA award!

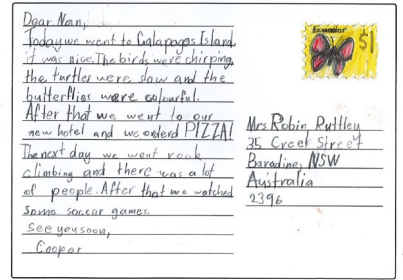

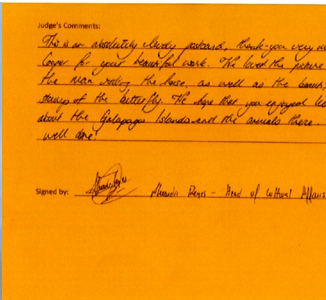

Cooper's work came 8th in the state of NSW.

His work on Ecuador has been described as "absolutely lovely" by the Ambassador of Ecuador.

The Ambassador wrote the following message to Cooper:

This is an absolutely lovely postcard, thank you very much Cooper for your beautiful work. We loved the picture of the man riding the horse, as well as the beautiful stamp of the butterfly. We hoped that you enjoyed learning about Galapagos Islands and the arrivals there.

Very Well done!

Mrs Lizzie Horder
AP Primary

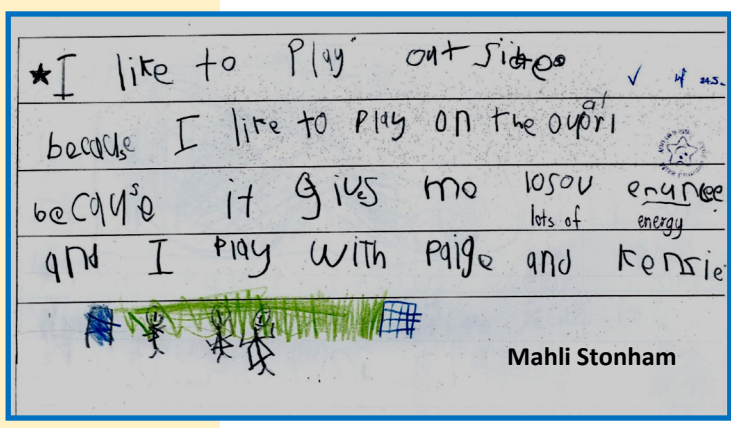

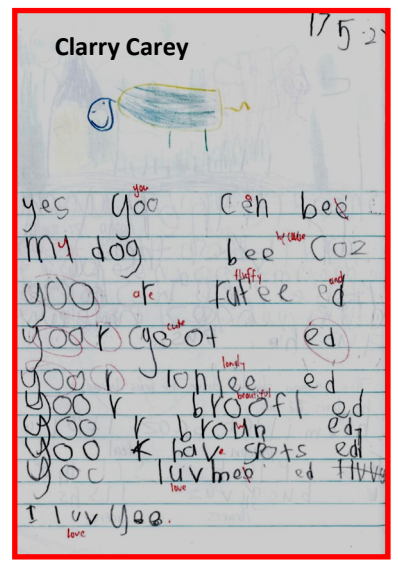

Writing - Kindergarten\Year 1

This term K\1 have been engaging in persuasive writing. They have been learning what it means to convince and persuade people and have formed their own individual opinions on a range of things based on a range of different texts, as well as every day experiences.

So far, we have decided whether or not we should eat our peas from the multimodal story 'Eat Your Peas' by Kes Gray. There has also been decisions around should Arf be our pet dog, based on the multimodal story of 'Can I Be Your Dog?' by Troy Cummings and whether or not we should let pigeons drive buses in the famous 'Don't Let the Pigeon Drive the Bus' by Mo Williams.

They have also discussed whether we like to play inside or outside and what animal is our favourite. This unit is helping the children to explore their reasoning skills and respect other people's points of view.

All students have been working really hard on writing this term and I am very proud to share some of our samples with you. Keep up the good work K\1.

Miss Lummis
Class Teacher

On Friday May 28, Primary SRC raised a fantastic \$410 by holding an out of uniform day at school. The proceeds from the day are for the Ward family in Gwabegar after they recently lost their home in a house fire. The money was used for a local IGA voucher to give to the family.

A big thank you to everyone who donated and got behind this wonderful cause!!

Miss Lummis & Junior SRC

The Samba Experience

Students enjoyed a brilliant show called, 'The Samba Experience'. It was most entertaining, students had the opportunity to play many instruments, the group favourite being the big loud drums.

Mrs Lizzie Horder
AP Primary

Zone Cross Country

On Tuesday May 25th, 15 primary students went to Quambone for the annual Zone Cross Country event. We left BCS at 8am and arrived in Quambone just in time to walk the track. Everyone participated so brilliantly and gave their best efforts.

11 students qualified for Regional Cross Country to be held in Coolah on June 10.

Special mention must go to Leila Ruttley who ran away with first place in her age division – a fantastic result!

Well done to all students for representing our school and big thank you to Richie for driving the bus.

Miss Holly Lummis
Zone Cross Country Coordinator

Fee-free white card training for high school students

White card training (or general construction induction card) is available for free to high school students for a limited time only.

What is the white card?

The white card training (CPCCWH5100) Prepare to work safely in the construction industry is a nationally recognised course and a mandatory requirement for anyone who wants to work on a construction site.

Students will learn how to identify:

- health and safety legislative requirements of construction work
- construction hazards and risk control measures
- health and safety communication and reporting processes
- incident and emergency response procedures.

Where will it lead?

- Kick start your career in the construction industry with free entry level training.
- Increased employability in the construction sector.
- Competitive edge when applying for jobs.
- Opens opportunities to undertake work experience on a construction site.

Who is eligible?

Training is available to anyone who is:

- aged 16 years or older
- lives or works in NSW
- an Australian citizen, permanent resident, humanitarian visa holder or New Zealand citizen.

When is training available and how long will it take to complete?

The training is available until 30 September 2021 via face-to-face delivery or connected real time delivery. It will take six hours to complete.

How to access training?

To find out more information please contact your local Training Services NSW office on 13 28 11 and talk to the Skills Broker or Regional Industry Education Partnership Officer.

Visit edu.nsw.gov.au/whitecardtraining

Breakfast Club

Monday to Friday
