MESSAGE FROM THE PRINCIPAL

Dear Parents & Caregivers,

Semester One Student Reports

The reports for Semester One were distributed to parents and caregivers at the carnival last Monday.

The others were sent home with the eldest child in the family. Follow up interviews with teachers are welcome and appointments can be obtained through the office.

Athletics

The carnival this year was finally completed after many hours of field events being conducted over recent weeks, then most of the track events on the very wet Friday and then final track and field events wrapped on Monday.

Congratulations to Wilga House for winning the point score. Congratulations to the age champions – couldn't miss the success of the Carey family!

Congratulations to the record breakers.

Most of all congratulations to all the boys and girls who participated throughout with fantastic spirit.

School Farm Enterprise

A meeting is being held today at 3pm in Cultural Centre to form a committee and establish a sustainable Farm Enterprise with the school. The proposed enterprise would feature the development of an education package to market and sell to city schools to undertake excursion to Baradine and visit and experience the school's farming activities.

All welcome.

Moorambilla Day Camps

The Moorambilla music company is planning two days of enrichment activities for Baradine students in Memorial Hall on August 4th and 5th.

All students who have participated in Moorambilla in the past are automatically invited. Other interested students from Years 3-11 are able to register.

Please contact the office on Friday June 25 if you are interested in your child signing up.

NAIDOC 2021 Heal Country

BCS is celebrating NAIDOC this week.

The mural looks fantastic thanks to the creativity of Walkabout Warriors principal, Dan Evans. Many of the students have had a hand in painting the mural.

Holidays

Wishing everyone a great two week break. Hopefully the current outbreak of COVID-19 in Sydney will not get worse. Students return on Tuesday July 13 for commencement of Term 3.

*Cheers
Mrs Chris Clarke

Celebrating NAIDOC in K/1

We have been learning all about NAIDOC Week. What it means, why we have it in Australia and why it is important to celebrate.

We have painted boomerangs using dot painting, hand designs and the Aboriginal flag. We learnt what the three different colours in the flag mean. The black represents the people, the red represents the earth and the sun is the giver of life, represented in yellow. We have also listened to lots of dreamtime stories and are going to show off our work on Friday at our NAIDOC celebrations.

Miss Holly Lummis
K 1/2 Teacher

Regional Cross Country

Congratulations to the 20 brave BCS students who soldiered on contesting the North West Regional cross country championships at Coolah.

In what could only be described as the worst possible conditions, they gave it their all and did themselves proud.

Special mention of Abby Thompson and Jorja Carey who qualified for State and Tyson Dunn who made it on to the reserves list.

Big thank you to Richie, Miss Lummis and Mrs Amiel for supporting our team.

SECONDARY

BIOLOGY

The Year 11 Biology students went to the Warrumbungle National Park on Tuesday the 8th June for their Depth Study excursion.

It was led by the Warrumbungle National Park Environmental Education Centre, and they collected a wide range of data to complete their assessment tasks.

All of us had a great day – despite the weather conditions!

Miss Ashleigh Rayment
Secondary Teacher

ITE Warrumbungles Co2 Stem Challenge

Congratulations to team Naughton and his racing car engineers Keegan Bartlett, Hannah Percival, Shannia Egan, Valarie Dunn & Bradley Owers for the overall winning school.

Special mention to Keegan Bartlett who won the fastest dragster of the day!

EFFORT = RESULTS

Winners are grinners at Dunedoo Central.

2021 NSW Training Awards

Jo Rawson, our BCS school captain, has just attended the 2021 NSW Training Awards ceremony for the New England Region in Tamworth.

Jo is completing her Certificate 3 in Health Services Assistance and she was nominated in the category of School Based Apprentice/Trainee of the Year.

There were many worthy recipients of the award. Jo has done well to be a finalist and BCS is proud of her efforts and achievements. Well done, Jo!

Central Schools Rugby League 7-side Championship

The under 14s and under 16 boys travelled to Dubbo to compete in the Central Schools Rugby League 7-side Championship.

The 14's had a great first game taking out Peak Hill, they then went down to Molong and drew with Gular. The boys earned a spot in the semi finals but unfortunately due to injuries, they were unable to play.

Congratulations Justin Lennon, Alex Wicken, Austin Hayman, Joe Bell, Riley Arndell, Brendan Evans, Matthew Hyde, Tyson Dunn & Kalem Hinchliffe on your efforts on the day!

Our under 16 boys combined with students from Gulargambone Central to compete in the carnival.

Our boys put in a huge effort, going undefeated all day, with wins against Molong, Merriwa/Trangie, Portland and Coolah.

Huge congratulations Kaleb Biles, Liam Ryan, Thomas Martin & Dusty Lennon.

Update on Sporting Achievements

Ashanti Pennell represented NSW Combined High Schools Firsts Team at the NSW championships over two days of competition.

Ashanti's team took on the best squads from NSW Combined Catholic Colleges and NSW Independent Schools, and were able to take the win in the grand final to be NSW Champions!

The news gets even better as we can announce Ashanti's performance was so strong that she was selected in the All NSW Girls Firsts team. It seems the sky is the limit for Ashanti and we are extremely proud of her achievement!

Primary Captain - Cooper Ruttle

What is your full name?

Cooper Ian Ruttle

How did you feel when you were elected Primary Captain for 2021?

I felt kind of happy and kind of sad at the same time.

Why do you think you felt that way?

Because I didn't really want to be captain, mainly because there is a lot of responsibility and I have a lot of responsibility at home with the boys.

How would you describe yourself?

Guess I'm funny, I don't really want to say that I'm smart because it sounds selfish or rude. I get easily embarrassed sometimes.

What are the things you enjoy doing at school and are good at?

Art, reading and sport.

What are your weaknesses or the things you don't like doing?

I'm not really good at high jumping and I get frustrated when I can't do things properly, I get really annoyed quickly and upset with myself when I fail.

What do you like best about school?

I like Art, Reading and History and I like the teachers and being with my friends.

You're in Year 6 so what is your best memory of Primary school so far?

One thing that has really stuck in my head is when I started Kinder and Mrs Horder got Billy Carey and myself up at an assembly. Mrs Horder was using us as an example for the bigger boys not to be running around and tripping over the little kids and knocking them over and hurting them.

What is the thing that you are most proud of at school so far?

Twice away to Zone for Cross Country, becoming Captain, on SRC committee, Vice Sport's Captain, trip to Sydney for Young Leaders and my award for Ecuador from the CWA with a letter from the State Ambassador.

Are you looking forward to Secondary school next year?

Yes I'm looking forward to getting ready for University. I would like to become an Architect or be involved in movie making in some way.

What is something that really annoys you?

Pretty much people who repeat the same thing again and again. Also people who show off and people who annoy other people.

Is there anything else you wish to tell me about yourself?

I'm interested in fictional stories and some subjects in particular are Comedy, Action and Horror.

School Captain - Jo Rawson

It's been a fairly busy year for you with Captain duties, TAFE, HSC exams, how have you been keeping up with everything?

Leave everything to the last minute and SMASH it out!

How would your friends describe you?

Oh come on, can I ask Erika. I guess funny, easy to get along with and happy to help whenever I'm needed.

Where do you see yourself in 5 years time?

I've honestly got no idea. Might have a job or might be helping dad.

If you could meet a celebrity who would it be?

I like so many and would like to meet them all, especially the ones that treat you the same.

What courses are you currently taking?

So English, Maths, Modern History, Biology, Hospitality, TAFE Certificate 3 in Health Care Assistant.

What professional goals have you set for yourself?

To get as many cards and certificates as I can to keep my options open.

What do you enjoy most about school?

Don't know, I come to the school mainly for the social aspect.

How do you handle working under pressure and what kind of people do you work best with?

Depends on the pressure, subjects I don't enjoy I can't deal with so I tend to focus more on the ones I can do. I guess I work best with people who are not self centred but I'm open to all opinions and happy to give everything a go.

What is one goal you have set for yourself in life?

I want to travel pretty much everywhere.
