NON SCHOLAE SED VITAE - Not in learning, but in life.

FROM THE PRINCIPAL

Principal: Mrs Christine Clarke

Dear Parents and Caregivers,

Inclusive, Engaging and Respectful Schools

- new policies, procedures and framework to keep students engaged in learning at school

The Inclusive, Engaging and Respectful (IER) Schools package was announced in February this year by NSW Minister for Education and Early Learning, Hon Sarah Mitchell.

It centres on three new policies and procedures and a framework that together set the guidelines for how we ensure all children and young people can learn through public education in a safe and engaging way. The IER Schools package includes the:

- Inclusive Education Policy for students with disability
- Student Behaviour Policy and Procedures
- Restrictive Practices Framework and Restrictive Practices Reduction and Elimination Policy and Procedures.

With these new policies, we want all students to:

- be included in all aspects of school life and supported to learn to their fullest capability
- be supported in engaging, respectful, and effective classrooms with positive and inclusive practices
- feel welcomed, valued and safe in our schools and classroom

Two of the policies are new: the Inclusive Education Policy; and the Restrictive Practices Framework and policy. Both clarify existing legal obligations, effective, appropriate and prohibited practices, and the rights of students, parents and carers.

The Student Behaviour Policy replaces the Student Discipline in Government Schools and Suspension and Expulsion Policy. The key change is the approach all NSW public schools will take to address disruptive or inappropriate behaviour by a student. The duration of a suspension will be reduced along with the number of suspensions across a school year. Every school will be able to draw on the support of a range of staff including behaviour specialists to effectively address issues resulting in these behaviours in order to prevent future escalations. We will continue to work closely with you and all our families.

It does not mean, however, that students who are violent or seriously disrupt the learning and wellbeing of others will be kept at school. Any student who puts the safety of other students, teachers and staff or visitors at risk of harm – will be suspended until it is safe for them to return.

The Inclusive Education Policy for students with disability and the Student Behaviour Policy become operational in Term 4, 2022 and the Restrictive Practices Policy becomes operational

in Term 1, 2023.

The staff and I are reviewing our current approach to all of the areas covered by these policies, and wish to share any changes we believe need to be made with you next term.

Our school already takes a strong, positive student-centred approach, but we want to work with you to ensure, together, every student has the right support at the right time to help them grow into confident, resilient adults.

For more information on these policies, please visit the [NSW Department of Education website](#).

Education Week

BCS will be celebrating Education Week next week. Parents, carers and community are invited to join us for the mid-term formal assembly on Tuesday August 16. Further Education Week activities will be held on September 15 to coincide with the time capsule opening.

Moorambilla

The annual series of Moorambilla high quality music camps commenced this week and will continue through next week. Selected performing arts students from all over western NSW descend on Baradine. They are accommodated at Camp Cypress and workshop in the Memorial Hall each day with an impressive team of professional musicians from Sydney.

BCS is being represented by the following students who have taken up their offers for this excellent experience: Rosannah Gundry Year 3, Joshua Haywood Year 7, Hazel Bartlett Year 7, Lincon McConnaughty Year 7, Paula Evans Year 8, and Valarie Dunn Year 11.

North West Regional Athletics

Congratulations to secondary athletes Jorja Carey, Suzie Carey, Braiden McPherson and Josie Campton on the efforts at Regional Athletics in Tamworth last week. Despite being a wet and cold winters day, they gave a great effort and Jorja came away with a 2nd place in triple jump and automatic selection for State Championships later in the year.

Thank you to Brad Saunders who donated his time to take these students to the event.

Uniform Blitz

Students have recently been reminded of the school's uniform policy and winter clothing requirements.

Uniform inquiries can be made through the front office.

EKKA (Royal Brisbane Show)

Mrs Wright, Anne McConnaughty and the agriculture show team are currently competing at EKKA with the school's Texel stud sheep.

Molly Murray, Emily Murray, Claudia McConnaughty, Lincon McConnaughty, Emily Hoffman, Aiden O'Grady, Suzie Carey and Chelsea Woodham will parade the sheep in stud classes as well as in student parader classes.

Best of luck Texel team!

Prefect Lunch

School captain Molly Murray and Vice Captain Alice Harris have been invited to attend a special luncheon next Monday with the Mayor of Warrumbungle Ambrose Doolan and other student leaders from the shire.

Creating futures - education changes lives

This year we continue to celebrate the journey students and learners take throughout the NSW Education system, focusing on how we are creating futures for our students, staff and families.

From the first days in child care to post-school pathways, our education system is preparing young people to be agile thinkers and lifelong learners.

We celebrate all types of learning that occurs at all levels across our education system and we have a shared responsibility in helping to shape the lives and create the future of today's learners.

Public education can change the lives of not just our students, but also the lives of our teachers, staff, families and communities.

Parents, friends and community are invited to join us for our

Mid Term Formal Assembly.

Tuesday 16th August (Next week)

12.00pm

Further Education Week activities will be held on September 15 to coincide with the time capsule opening.

Growth & Attainment

Collaboration Day

During the collaboration day primary staff looked at SCOUT Data. SCOUT provides data from a range of different sources (such as NAPLAN) to help teachers with analysis, planning, reporting and data-driven decision making. We looked at different sources of data and what this is telling us in relation to literacy across K-6. We identified strengths, areas for development and where to next in the teaching and learning cycle. Staff were also given time to plan some lessons based around this data.

In Secondary, staff also received time to go through SCOUT data and used this to inform their planning in programs for their Key Learning Areas. They went through and added valuable learning activities around literacy such as vocabulary word banks, spelling tests, writing structure lessons using the PEEL method, close passage and comprehension activities, critical thinking activities and practise with summarising skills, just to name a few.

Overall, the collaboration time was a great success. We are a small school and therefore do not have traditional faculties that larger schools have. It is important for our staff to be able to meet up and bounce ideas off one another to improve practice. The use of this time for literacy intervention aligns with Strategic Direction One 'Student Growth & Attainment' in our school plan.

Mufti Day and BBQ Fundraiser

On Thursday July 28, BCS held a football out of uniform day and had a BBQ lunch to support a local family who recently lost their home. It was great to see so many staff and students get involved in the day by wearing their team colours!

We also held a street stall on Saturday July 30 where a range of food and plants were donated. There was also a 100 club and raffle. Thank you to everyone who donated or purchased something from the stall. It was a successful morning and we managed to sell everything which was a fantastic result. Well done to all the winners and thank you for your support.

Winners of the 100 club:
 1st - Christine Ryan
 2nd - Sue Stonham
 3rd - Jessica Sutherland

Winners of the raffle:

Year 3 Writing

Recently in our writing lessons, the Year 3 students explored a text called 'Edward and the Great Discovery'. Through the book, students learned about what an archaeologist is and what they do. In the book, one of the main characters was a Dodo bird. Students learned that Dodo birds were an extinct animal and they were flightless. Students then wrote a summary, where they showed that they could describe the features of the Dodo bird and write some general facts about the creature.

**Fire Awareness
Year 5/6**

Last week Mr Hensby ,the Baradine fire Captain, came to our class and informed us about fires. He showed us a slide show and we answered his questions. Later he showed us the fire truck. We all had a go of the fire hose. After that he gave us all a little gift. We all enjoyed having him in 5/6.

Indy Carey

We asked Mr Hensby lots of questions and he answered them. We went through the fire truck and he showed us different types of hoses. He showed us fire alarms, fire blankets and other things used in fires.

Sonia Pagett

Last Thursday we learnt about the dangers of bushfires and how to stay safe from fires. We learnt not to go near them and call triple zero.

Secondary Positives

Secondary Clubs

Students have been enjoying the addition of 'clubs' to our fortnightly timetable. This term, students have chosen to participate in music, photography, chess, study and art. Students participate in this each Tuesday Period 5 in our even weeks. Students have provided positive feedback on clubs and we are looking at some new exciting ideas for clubs next term.

Secondary SRC

A few changes to the responsibilities of our Secondary Student Representative Council have taken place this term. Along with their usual responsibility of student suggestions for fundraising and school improvement, students have been presenting each morning to the student body at morning lines. They discuss weekly weather, our PBL focus for the week, organise a daily good deed they have noticed, a book of the week and a daily joke and fact. This has been beneficial for their confidence and public speaking. Students have also been checking their year groups iPads each afternoon and ensuring rooms are locked. SRC representatives should be congratulated on their fantastic efforts with their added responsibilities.

Behaviour Streaks

Secondary have begun recording their positive behaviour each day in the form of streaks! Each day a year group get no negative referrals on Sentral they add another day to their positive behaviour streak. Currently, Year 7, 8 & 9 are on a 5 day, no detention streak and Years 10, 11 & 12 have a whopping 17 day streak of no detentions.

Students who receive a positive on Sentral also have their name displayed on our board out the front of Room 12. Congratulations to Noah Howe, Alicia Worrell, Jack Thompson, Jayla Ruttley, Jayden Ryan, Emily Hoffman, Emily Murray, Aiden O'Grady, Mia Bradford, Josh Haywood, Lincon McConnaughty, Jake Martin, Chelsea Woodham, Alex Wicken, Shannia Egan and Karla Gardner for their positives over the last 3 weeks. Students also receive Gotchas, which are not recorded on Sentral, as they go into our Gotcha draw for assembly in which they can win a \$50 voucher.

North West Regional Athletics

On Monday the 1st of August, Braiden McPherson, Josie Campton, Jorja Carey and Suzannah Carey set off to Tamworth to compete at the North West Regional Athletics.

All four students did extremely well given the less than desirable weather conditions.

Well done and congratulations to Jorja Carey who came away with 2nd place in the 16 years Triple Jump.

Jorja is now off to state to compete.

Time-Out with Cazza!

Kadisha Ryan - Kindergarten

What class are you in and who is your teacher?

I am in kindergarten and my teacher is Miss K.

What is the best thing about coming to school?

Seeing my friends and saying hello to my teacher and playing games.

If you could open a shop all by yourself what would you sell?

I think a Chemist to give people some medicine and sell presents to make their houses perfect.

When you become a grown up, what is the first thing you would like to do?

I want to get a phone, then cook some food and sell it and cook for my family.

If you had \$50.00 what would you spend it on?

Some stuff for my parent's birthday.

What is something you want to learn how to do?

I want to learn about animals, see what they do and feed them.

What is your favourite thing to do with friends?

Have sleepovers.

What age do you think people are old?

Probably when they're 20.

What is the hardest thing about being a kid?

Not being allowed to go too far from our house, only allowed when adults come with me.

What is something you would really like to learn how to do?

Like to learn about the library as I like reading.

What job do you want to do when you leave school?

I will be a teacher and learn the little kids! Miss K is my favourite.

Savannah Carey - Year 12

You are now in your final weeks of Year 12 and the HSC is getting close, how are you coping?

I am finding it difficult but the teachers have been very supportive.

Have you set any career goals?

I would like to get into Child Care possibly through TAFE.

All the learning you have done over the years, what subjects will be the most helpful?

I think English will benefit me the most.

What are some things you are grateful for?

My family, friends.

Do you prefer to work alone or in a team situation?

In a team where there is more support.

One thing you cannot live without?

My family.

What is something you are passionate about?

Going out with my friends.

Who is someone you most admire?

My Nan.

If you had one wish in life, what would it be?

That everything in life would be fair.

What is an obstacle you have faced and how did you overcome it?

Losing my mum at a young age and grateful for close family support to help get through it.

What annoys you the most?

Nothing really annoys me too much.

Lizzie Horder - Assistant Principal

You have been at BCS a while now, when did you commence here and what other schools have you taught in?

I transferred here from Coonamble public in July 2013 after 16 years there. My first school was Walgett for four years, Narrabri for two and a half years, Coonamble for three years, followed by Gwabegar for three years.

What is an accomplishment that you are proud of?

That I'm still teaching and still enjoying it.

What is the most expensive mistake you've ever made?

Owning too many pairs of shoes.

What current trends are baffling to you?

The rapid pace of technology.

If you could live in another country for one year which would you choose and why?

Northern Ireland because when visiting there the people were very friendly and always left a smile on my face.

What is your top bucket list item?

To find the good in every day.

If you weren't at work right now, what would you be doing?

The washing on this lovely sunny day.

Who inspires you professionally?

All great leaders. I also always remember a teacher when I first started my career who really inspired me.

What is your definition of success?

Being happy, sleeping well and looking forward to tomorrow.

What career advice would you give to your younger self?

Keep working hard, enjoy what you're doing and prepare for many changes.

Last TV show you binge watched?

Big Brother.

Name of the last book you read?

'Still Life'.

Tell me one thing that would instantly make your day better?

Having healthy feet so I can wear all those expensive shoes.

Are you more of a live to work or work to live person?

Live to work but see the value in work to live.

If you could snap your fingers and make the world a better place, what would it be?

For everyone to live in peace and harmony with dignity.

Where are they now..... Year 12 Graduates 2015
