FROM THE PRINCIPAL

Relieving Principal: Mr Matthew Edwards

Dear Parents and Caregivers,

As another term draws to a close, the school has been buzzing with activity with lots of exciting excursions and activities. Attendance has shown great improvements over the term which is something I would like to see continue into Term 4. I'd like to wish everyone a safe and restful holiday, and I look forward to seeing everyone back on **Monday 9th October**. Just a reminder that all students return to school on this date.

R U Ok Day

On Thursday 14th of September the school celebrated R U OK? Day with all students wearing something yellow in recognition. Throughout the day students participated in activities to boost wellbeing, as well as educational lessons about how to check in with friends and support them in tough times. The school will also continue with regular lessons throughout the rest of the year around building student resilience.

Exams

The Year 12 trial and Year 11 yearly exams wrapped up at the end of Week 7. It was a big week of exams but the students pushed through well, and we are expecting to see some good results from them. Year 12 HSC exams commence Week 1 next term on 11/10.

Year 12 Farewell

Due to the Tasmania Excursion, the Year 12 farewell events have had to be postponed. They will occur on Thursday 2nd November. A farewell assembly will take place at school at 9:30am, with the formal to follow that evening.

Tasmania Excursion

Students are off and away on this much anticipated excursion. They have been to some amazing sites and had wonderful experiences throughout the trip. If you haven't already, follow Baradine Central School on Facebook to see photos of their adventures. Students return on the evening of Friday 22/9, and I'm sure they will have plenty of stories to share.

Sydney Excursion

Year 5/6 are getting excited and gearing up for their big excursion to Sydney next term departing on 17/10.

Trade Skills Program

In Week 7 we had trainers from the Regional Industry Experience Partnerships come in to run a Trade Skills Program. We had over 20 students participate in this program over four days. They got a lot out of this, providing opportunities for our students to have hands-on learning from actual tradies. They received a TAFE

certificate at the completion of the course. More events will be scheduled in the future with a focus on mining jobs and a look at aeromechanics.

Friendly Sports with Gulargambone

Friday 1st September was a fantastic day with Gulargambone Central School visiting for a friendly sports day. We competed in Basketball, Netball, Rugby League and League Tag. All matches were played in great spirit with a good showing of community members to watch. Further days like this are to be scheduled in the future and there is even talk of reviving the Central Schools Sports day where schools from the Warrumbungle region compete in a variety of sports for the overall Warrumbungle Shield.

2024 Captains

Wednesday 6th September saw six students put a fantastic effort into their speeches to nominate for school captain. They all spoke with great confidence, insight and maturity, making it a very difficult choice for voters. This year we will have a Captain, Vice-Captain and Prefect. Results of the vote will be released early next term when candidates have returned from the Tasmania Excursion.

Mobile Phones

As the community would be aware, mobile phones have been banned at our school for over ten years. Starting day one, **next term, mobile phones are banned in all NSW Department of Education Schools**, as announced by the Minns Government. Whilst we currently have a strong ban on mobile phones, we will still be making updates to our policy, which will be communicated to everyone at the start of next term. Parents/carers can assist the school in keeping mobile phones out of school by not texting or calling students during school hours. If you have a message for your child, please call the front office and it will be delivered promptly.

Canteen

The school has awarded the canteen tender to Vicki Nyveldt, who will commence early next term. Vicki comes to us with years of hospitality experience and is bringing a new fresh, healthy menu that students will love. Once the canteen re-opens, the school will no longer be granting lunch passes to students to go downtown to pick up takeaway lunches.

School Speaker System

During the school holidays we will have the old bell system removed and replaced with speakers, that will service each classroom and outside areas of the school. It will be our new signal for the end of periods and emergencies.

VERY GOOD

At this level, you give yourself the best chance of achieving your potential. 96% equals 7.5 days absence in a year.

93% - 95.9%
COULD BE BETTER

95% means a half-day missed every 2 weeks. In a year, that's 43 lessons to catch up on.

90.1% - 92.9%
IMPROVEMENT REQUIRED

92% equals 3 weeks of lost learning every year. Between Y7 and Y11, this means 15 weeks lost in total.

90% and below
PERSISTENTLY ABSENT

At 90%, you have missed almost 100 lessons in a year. Attendance at 90% each year means that by Y11, you will have missed out on 6 months learning.
